The evangelistic meetings at the Lents Evangelical church were a success in many ways. The church membership was greatly revived and the hearts bound together in fervent love. In the morning service of last Sunday the pastor received 22 into church fellowship, with more to follow. Rev. A. J. Tiffany, the evangelist, was very much appreciated and did splendid work. We could heartily commend him as a faithful, safe leader of the people.

W. C. T. U.

Anti-narcotics and temperance work in the Sunday schools are the subjects for discussion at the next meeting of the Mt. Scott W. C. T. U., to be held at the home of Mrs. Rusk, South Ninety-second street, on Tuesday, April 22, at 2 p. m.

This week the Union has supplied Lents school with 1000 anti-cigarette blotters. The inscription on some of these is telling. For instance:

"Pure Air—At a recent dog show in a large city this sign was posted: 'No smoking allowed; tobacco smoke injures the dogs.'"

Did you know this is the year of jubilee for temperance workers? Here is our jubilee creed:

I believe in the Woman's Christian Temperance Union; in her place in the world; in the vision of her leaders; in her part in the dawn of a new day.

I believe that her holy purpose must be guarded; that our young women must have in their hearts the spirit of the heroes of the crusade.

Thou, who hast led us on

To this, our period of jubilee,

Let us not slacken in our work

Until the whole wide world is free.

Mr. and Mrs. Chas. McGill have returned, after a three-weeks' absence, from Shelly, Idaho, where they went with the expectation of making their home. The climate did not agree with Mr. McGill. They have bought a place at Eighty-sixth street and Sixty-third avenue, where they will move in the near future.

You are as efficient as your eyes.

A large number of people not now wearing glasses have defective vision and are therefore comparatively inefficient. Right now our country needs high efficiency. The cost of examination is small for self betterment.

THEY GAVE

their all forever

YOU LEND

a little for a while

SIXTY THOUSAND OF OUR AMERICAN BOYS

lie among the poppies of Flanders' Fields in France. To them *only* is the war over. They have paid the price *in full*. To countless other thousands of these boys returning home maimed and broken the war will *still go on*; they will be *paying* the price every day, during the remainder of their lives. Can we who stayed at home carelessly and thoughtlessly assume the "*war is over*" attitude until our balance of account is paid—until we have redeemed our pledge—to bear the final cost no matter what its amount?

THE VICTORY LIBERTY LOAN

is in liquidation of the debt for men and munitions we amassed, and which brought about the end of the war—saving for every day it was shortened billions more in money and thousands more in lives.

MEN *and* WOMEN of OREGON!

The imprint of fame upon the name of our fair state will turn to a stain of shame if we do not meet the obligation this Victory Loan represents. You are face to face with the real test of citizenship—true Americanism. Let this test find you measuring up one hundred per cent loyal.

The Parent Bond of Them All

The government bond is the Parent bond of all bonds. Back of the government bond are all the assets and all the resources that supply the value of all other bonds, all other securities, all other investments.

The government bond is a prior lien on lands, homes, chattels and everything else, and the bonds to be issued under the name of the Victory Liberty Loan are the highest of the high in government bonds. They constitute a contract of the United States government, entered into by unanimous vote of congress, and therefore a contract and mortgage behind which stands the possessions of One Hundred and Ten Million American people with their entire resources developed and undeveloped; the intelligence, ambition and ability of these One Hundred and Ten Million people mortgaged to pay the bill.

The Victory Liberty Loan Bonds will bear an attractive rate of interest and, together with all other desirable elements, when compared with other investments as to strength, collateral and return, have no equal.

This is one of 176 advertisements inserted simultaneously in every newspaper in the State of Oregon on behalf of the success of the Victory Liberty Loan—for we believe in this cause and are willing to contribute to the full extent of our power.
