

ORGANIZATION OF COMMUNITY WORK NOW WELL UNDER WAY

The organization of a committee to begin definite efforts to put on a progressive program for the boys of this district has resulted as follows:

General chairman, J. R. Leach.
Vice-Chairman, A. E. Kenworthy.
Recording secretary, Miss E. Forbes.

Executive secretary, Paul L. Newmyer.

Finance Committee—J. J. Handsaker, chairman; J. C. Meehan, vice-chairman; R. D. Armstrong, S. F. Ball, Dr. W. O. Boon, J. Allen Harrison, P. A. Kennedy; Dr. W. D. Lockwood, Mrs. M. C. McCord, Geo. Morrison, Dr. C. S. Ogsbury, J. Bruce Polwarth, W. A. Pratten, Dr. W. F. Pruden, T. E. Speirs, Ward T. Swope, William Woodham.

Publicity Committee—A. E. Kenworthy, chairman; H. R. Scheuerman, vice-chairman; Mrs. A. Alexander, J. Allen Dunbar, Rev. Lee W. Gray, Miss Martha Isler, D. T. Noonan, Guy Robinson, Mrs. J. E. Urdike.

Co-operating Organizations—B. A. Thaxter, A. F. Hershner, schools; Rev. E. A. Smith, churches; C. C. Hessemer, Sunday schools; Mrs. W. N. Akers, president Parent-Teacher association; Dr. C. S. Ogsbury, fraternities.

These committees have begun a study of the needs of our boys and have quickly come to the conclusion that the first thing to do is to secure the services of a trained worker with boys. A man of personality and character, one who will know boys and how to help them in their games, hikes, camps, swimming, clubs, etc., and at the same time be

able to recruit and train leaders for various groups. He must be a "live wire" man who can also deal with men, as he will help the community in securing needed improvements such as parks, playgrounds, swimming pools, etc., which directly affect the boys and girls. The necessary budget to care for the salary of such a man must be secured from the people of this district and the committee plans to go out on a campaign the week of June 2 to 9 to get the necessary money.

The sentiment among all classes of people of the district seems to indicate a wide interest in the proposed plans and many inquiries are being received by various members of the committee.

Mr. Newmyer, the executive secretary, has been sent out by the Portland Y. M. C. A. to help us put over the campaign. He has been speaking at various meetings in different places, at parent-teacher associations, improvement clubs, fraternities, Sunday school institutes, etc., and reports favorable responses in every case. Mr. Meehan, the city boys' work secretary, and A. J. Bale, a member of the Portland board of directors, are also giving a good deal of time and effort in helping the committee in the preliminary organization.

Teams are being formed, lists of names will be made up and the homes visited during the week of the drive. The amount needed is comparatively small and the terms of payment very easy, so no difficulty is expected by the committee in reaching the goal.

BOMB PLOT AGAINST LEADING AMERICANS

The United States was startled the other day when there was revealed a great plot to slay leading officials and other citizens by means of bombs sent through the mails. It is believed to have been the work of radicals, as nearly all the intended victims were concerned in the prosecution or deportation of members of the I. W. W. and other undesirable. This photograph shows the bomb which was sent to Judge Landis of Chicago.

MEMORIAL DAY TO BE OBSERVED BY REUBEN WILSON POST NO. 38

Memorial Day, May 30, will be observed by Reuben Wilson Post 38 in the following manner:

Decorating of graves in the forenoon, where all are invited to assist. At 2:30 will be held the regular memorial exercises at Odd Fellows hall, which will consist of singing and speaking. The address will be delivered by Mr. Melvin. We cordially invite Shiloh Circle, Sons of Veterans, Spanish War Veterans, World War Veterans and Boy Scouts, and all others who will join with us.

Memorial Day this year has a wider meaning that it ever had before. Sacred as the day has been in our national life because of the memory of the sacrifices of those who have given their lives for the establishment of the principles of liberty and justice in our beloved

land, this year its meaning has been broadened and enriched by our participation in the world war. Along with our own soldiers, men of other nations have fought and died that these principles might be established throughout the whole world.

It is fitting, therefore, that in our observance of Memorial Day this year we give thought to its widened scope and that we render tribute to the memory of that vast multitude of men of other nations who in the recent war made the supreme sacrifice as soldiers of the army of right.

With these added weighty reasons for the observance of Memorial Day no community should let the day pass without fitting recognition. And I can conceive of no recognition more fitting than our formal observance.

JOHN WALROD,

MULTNOMAH COUNTY SUNDAY SCHOOL ASSOCIATION MEETS

The quarterly session of the ninth district of the Multnomah County Sunday School association convened in the Kern Park Christian church last Sunday afternoon at 3:15. Rev. A. C. Brackenbury being absent, Miss Luarania M. Terrill led the opening prayer. The leading features of the afternoon were the addresses by Mesdames G. M. Billingsley and Allan B. Slauson, and Messrs. J. J. Handsaker and Paul H. Newmyer.

The institute was presided over by H. R. Scheuerman, of the Lents Evangelical church.

Mrs. Slauson, of the First Presbyterian church, read a splendid paper on junior work in the Sunday School. She emphasized the lack of reverence in American life and told of some helpful methods of teaching it in the primary department. Her discussion showed much study of primary methods and illustrated the application of psychological principles to Bible school problems.

Mrs. G. M. Billingsley, of the First Christian church, presented the subject of music in the primary department in an attractive manner. Mrs. Billingsley converted the members of the institute before her into a primary department and proceeded to demonstrate how to secure good singing.

Mr. Handsaker discussed the Armenian question and Mr. Newmyer spoke on the absorbing topic, "The Needs of the Boys in the Mt. Scott Neighborhood."

Following is the average attendance of the Sunday Schools of this district and the number present at the institute:

Arieta Baptist—Attendance 245; at institute 8.

Laurelwood Congregational—Attendance 47; at institute 24.

Laurelwood M. E.—Attendance 115; at institute 3.

Anabel Presbyterian—At institute 1 Kern Park Christian—Attendance 65; at institute 42.

Lents Friends—Attendance 87; at institute 46.

German Reformed—At institute 9.

Pastors present, 6; superintendents present, 7; teachers present, 41.

A banner inscribed with the name of the association and the motto, "Christ Our Only Hope," was awarded to the Lents Friends Sunday school for having the largest percentage of their average attendance for the past three months present at the institute, barring the entertaining school. This will be held by the Friends Sunday school till some other school makes a better record.

After a potluck lunch Earl Feike addressed the institute on "The Relationship of the Sunday School and the Young People's Society."

The evening sermon was delivered by Rev. E. O. Shepherd, of the Third U. B. church, from the text: "I am determined to know nothing among you save Jesus Christ and him crucified." This was a masterful appeal to set our determination on things that are helpful and that endure rather than on the things of the world that perish with the using.

J. A. Dunbar, of the Lents Friends church, rendered a solo and lead the congregational singing. A special musical number was also given by the ladies of the entertaining church.

LENTS BOYS OF 91ST DIVISION NOW HOME

The largest contingent of Lents boys to arrive together came home the first of this week. They are Curley Forbes, Paul and Jasper Lent, Fay and Frank Rayburn, Ben Retherford and Roy White. Needless to say there were some happy family reunions. Also some young ladies of Lents look unusually cheerful. The boys were all members of the famous Wild West (91st) division, which went through the heavy fighting in the Argonne Forest and was then transferred to Belgium where they were again in the thick of the scrap. The 91st division has been mentioned and one of the best fighting divisions of the American army by both the American command and allied generals.

FRIENDS CHRISTIAN ENDEAVOR SOCIAL

Last Friday evening the Christian Endeavor society of the Friends church held their monthly business meeting in the church annex. When business had been finished a pleasant social hour was enjoyed. A feature of this part of the program was the identification of the presidents of the United States from pictures without name placed upon the wall.

When the games were finished, Mrs. O. M. Tamplin was called upon to give an account of her recent trip to Richmond, Ind., which she did in a very pleasing manner. At the close of this talk Mrs. David Bass called upon Mr. and Mrs. Tamplin to stand, on behalf of the society their friends presented them with a handsomely decorated dinner set. Mrs. Tamplin was almost overcome with surprise and joy, and the young people were delighted to be able to give joy to people so faithful to duty as are the Tamplins.

Dr. Atwood is now located in his new office in the Yott building, where he has greatly improved facilities for the practice of dentistry. ST. PETER'S

Last Saturday Rev. Father Skelly assisted at St. Peter's and delivered a discourse on the "Holy Name" at both masses. The Rev. Father left for California on the evening train.

Next Friday morning at 9 o'clock a. m. a requiem mass will be chanted at St. Peter's for Minnie Ryan, deceased.

The decoration of the altars for May was very artistic and May devotions will be held Sunday and Wednesday evenings.

The drive for the new home, Jean of Arc, will begin May 19. The committee for St. Peter's parish consists of Mrs. Grassins, Mrs. Stubbs, Mrs. Nandts and Catherine O'Brien.

St. Peter's parish has commenced collecting funds for a new church, as the present building is not large enough for the fast-increasing congregation.

MISS WOODWORTH BECOMES BRIDE OF WILLIAM T. MOORE

Miss Gladys Woodworth became the bride of William T. Moore, of Third avenue, Tuesday evening, May 1, 1919, at the home of the bride's parents, Mr. and Mrs. G. G. Woodworth, 431 Third street.

The ceremony was read by the Rev. Wm. Boyd Moore, of Junction City, formerly of the M. E. church on Eighty-sixth street, Lents. More than 40 guests, mostly relatives, were in attendance at the ceremony, and the home was handsomely decorated with ferns, narcissus and lilies of the valley.

Miss Myrtle Moore attended the bride and B. Sublette acted as best man. Preceding the ceremony C. H. Sunby, of the Apollo club, who is the possessor of a splendid, artistically trained voice of great power, sang "Oh Promise Me." Mrs. Urmel Arnsperger, at the piano, played most beautifully and with much expression.

The bride was most charming in her gown of white satin and silver trimmings, and her veil was fastened with a beautiful wreath of orange blossoms. She carried a bridal bouquet of white carnations with frezias and sweet peas. Miss Moore was gowned in yellow satin and wore a large picture hat to match. She carried a bouquet of white carnations.

After the ceremony an informal wedding reception was held. The refreshments were served by a group of the young friends of the bridal couple.

After the brief honeymoon trip Mr. and Mrs. Moore are making their home in the Lincoln apartments in Portland.

POOL HALL IN LENTS ROBBED LAST WEEK

The pool hall at 5931 Ninety-second street, of which Otto A. Wohlfeil is proprietor, was robbed last week, about \$50 worth of tobacco, cigarettes, candy, etc., being taken by the thieves. The police department assigned detective on the case but so far they have been unable to find any trace of the thieves or the goods.

It is thought that entrance was gained by shaking the back door until the bolt was worked back out of its catch. If this was the way they came in they evidently decided to take another way out, as the door was found to be bolted as usual, but a back window on which the catch was known to be locked was found open. In order to reach the back of the building the robbers had to climb over the roof of another building back of Eggiman Bros' meat market. Evidently more than one was concerned in the robbery as the amount of loot could not have been carried by one person.

It is thought that the thieves were boys who have become addicted to the cigarette habit and because of their age are unable to buy them. Over 2000 cigarettes were taken.

The pool hall is next door to the shoe store of W. E. Goggins, which was the scene of a daylight robbery of \$300 in money three weeks ago.
