W. C. T. U. NOTES

Those who attended the meeting Tuesday at the home of Mrs. Fankhauser spent a delightful afternoon. Flowers were everywhere, and much appreciated. A study of the flowers mentioned in the Bible, together with appropriate songs and prayer, formed the opening devotions. Mrs. Esther Fankhauser was "welcomed home" to the Union in a few appropriate words by the president.

Mrs. Marion Gilbert, county president, told of how the Flower Mission department was started, when Miss Willard met Miss Jennie Caseday, of Louisville, Ky., a confirmed invalid, yet who was doing such a work, locally, that she was made national superintendent of Flower Mission work in the W. C. T. U. All the good accomplished in this beautiful ministry of flowers can never be counted.

When time came for reporting the million-dollar campaign work \$44 in cash and some pledges were turned over by a few who had been soliciting.

Next Thursday, June 19, is the county institute held in the Kenilworth Presbyterian church, Thirty-fifth and Gladstone. A fine program is arranged for both the forenoon and afternoon. If the day is warm there will be a picnic dinner in the park near by. If cold, in the church basement.

Arleta W. C. T. U. met at Arleta Library hall Tuesday, June 10, for an informal discussion of flower mission and allied activities and made plans for a pot-luck luncheon to be given Tuesday, June 24, at Lucky Cottage.
