## PETERSON-ZINSER

### WEDDING JUNE 12

One of the most pleasing events of the season occurred in Happy Valley at the Mt. Scott Evangelical church, Thursday evening, June 12, at 9 o'clock, when the only daughter of Mr. and Mrs. C. F. Zinser, Lydia C., was united in marriage to Normer L. Peterson, son of Mrs. P. Paulson, in the presence of about 70 invited guests.

To the strains of the wedding march, played by Miss Ruth Peterson, the bridal group entered the church between streamers of white ribbon and an overhead trellis of vining white roses. The bridal group was preceded by a little flower girl, Willa Kanne, a cousin of the bride. Dorothy Zinser, a cousin of the bride, and Royal Zinser, the bride's brother, acted as bridesmaid and groomsmen. The group took their station beneath an archway of white roses from which was suspended a beautiful white wedding bell. An impressive ceremony was pronounced by the pastor, Rev. N. Shupp, using the ring ceremony, uniting the bride and groom in holy wedlock.

The bride was beautifully gowned in white satin with an overdrape of silver-net, and wearing a bridal veil held in place by orange blossoms. She carried a bouquet of bride's roses and sweet peas, with streamers of ribbon.

Immediately after the ceremony the bridal party returned to the home of Mr. and Mrs. Zinser where a reception was given. After congratulations the guests were seated at tables most beautifully decorated and served with a delicious luncheon.

The bride was the recipient of many useful as well as handsome presents, one of which was a beautiful Bible from the Sunday school. Another was a check for \$100 and handsome silver sets from her parents.

The Zinser home was most beautifully decorated with fir boughs and pink roses.

A honeymoon is being enjoyed in a trip to the Tillamook beach. The young couple have the best wishes of their many friends for a long and prosperous life.

## CLOSING EXERCISES

### HELD AT WOODMERE

Closing exercises were held at the Woodmere school Wednesday night, June 11, at which a very interesting program was given by the pupils of the school, one of the principal features being six essays written by members of the graduating class. Instrumental and vocal numbers were interspersed and the program was enjoyed by a large and appreciative audience. Following is the program:

"Our Flag," Alice Larson.

"Our Great Statesmen," Lorna Spooner.

"When the Germans Hauled Down the Flag," Herbert Jasper.

"My Right is Crushed, My Left is in Retreat, Am Holding in the Center," Nellie Horner.

"Our President's Place at the Peace Table," Sylvia Tolles.

"Back to the School Movement," Lucille Davidson.

Salutatory, Myrtle Huckman.

Two songs by the class.

Other numbers on the program were piano solos by Marguerite Blair, Leury Boogaert and Elizabeth Sanders.

The Woodmere boys baseball team won the silver cup in the recent tournament, which was presented by Mrs. Alexander and accepted on behalf of the team by Harold Repp, captain of the team.

## MULTNOMAH GRANGE MET

### AT PLEASANT HOME JUNE 18

Multnomah grange held its regular quarterly meeting Wednesday at Pleasant Home. A business session opened at 10:30. In the afternoon reports on the farmers' field day, to be held at Gresham July 26, were heard and addresses were made by several speakers. R. W. Gill reported on the recent meeting of the state grange.

## SCHOOL ELECTION

### TOMORROW, 21ST

The polls for the school election will be open Saturday from 1 p. m. to 8 o'clock, when a school director will be elected and the \$2,500,000 bond issue for new buildings and additional grounds decided. This two and a quarter million dollars, if the bonds carry, will be expended in the next three years, and the large amount is made necessary from the fact that no building was done in 1917 and 1918 on account of the war. Considerable opposition to the bond issue has developed but it does not seem good policy to retard or hamper the educational facilities of our children, and it is thought the Lents district will cast a favorable vote, although we are not scheduled to benefit. We feel that in the past we have received favorable consideration in the 20-room building which we have, but we now are in urgent need of more ground room for the good of the children. While we have one of the largest suburban schools we no doubt have the smallest area for playground. We have an area of 111,688 square feet while Arleta has 182,000, Woodstock 192,800 and Kellogg 206,071. The Parent-Teacher club and a business men's committee will begin an active campaign to secure additional ground, and we hope the school board may be able to set apart a small amount of the \$2,500,000 for the purpose if the bonds carry.

The tentative program for expenditure of the money is as follows:

A new high school in the northeast part of the city to cost \$500,000, site to cost \$50,000.

A new high school at St. Johns to cost \$500,000, site \$25,000.

Elementary Schools

Alameda, \$60,000. Beaumont, \$60,000. Buckman, \$200,000. New Chapman, \$100,000, site \$150,000. Fernwood \$90,000. Hosford, \$60,000. Hudson, \$30,000. Kellogg, \$80,000. Kenton, \$80,000. Laurelhurst, \$60,000. Linnton, \$60,000, site \$10,000. Mt. Tabor, \$80,000. Multnomah, \$40,000. Riverside, \$90,000, site \$35,000. Rose City Park, \$80,000. Woodstock, \$60,000. The total for proposed new buildings and additions is \$2,230,000 and for grounds the total is \$270,000.

## ESTIMATE FOR PAVING OF

### 72ND ST. NEARLY READY

The city engineering department will submit an estimate to the city council next week of the proposed paving of Seventy-second street between Foster road and Sixty-first avenue. If no remonstrance is filed the work will be authorized and bids will be advertised for. The improvement contemplates the moving of the car tracks to the center of the street and macadamizing a 25-foot strip. The greater part of the expense will fall to the street car company.

A petition has also been filed for improving Seventy-second street from Foster road north to Forty-first avenue, but inasmuch as the engineering department takes up the work in the order filed it is said they will not be able to report on this for some time to come, as it is pretty well down on the list.

## MARIE CHAPMAN TO APPEAR AT GLADSTONE CHAUTAUQUA

Miss Marie Chapman, well-known and popular violinist whose home is at Gilbert station, will appear at Gladstone chautauqua Thursday, July 17. Miss Chapman is touring with the Ellison-White chautauqua circuit and for the past month or six weeks has been appearing in the south. Concerning her the Ellison-White people have the following to say: "She is a violinist of rare ability and an artist of high rank in technique and in smoothness and sweetness of tone. The violin becomes in her hands a real channel for expression conveying to her audiences every tiny fancy of the composer."

Mrs. Ethan L. Derry and son, Warren Duane, who have been the guests of Mrs. C. B. Edwards and Mrs. W. L. Walker, of 6708 Ninety-first street, left for their home in Duluth, Minn., Tuesday.

## AMERICAN NAVAL AIR STATION IN IRELAND

This photograph, taken from an airplane, shows one of the American naval air stations in Ireland. It was from here that the hydroplanes that guarded the coast of Ireland and hunted U-boats came.

## FAY B. RAYBURN RECEIVES CITATION

Fay Rayburn, formerly a member of the 316th sanitary train, 94th division, received a citation this week signed by General Pershing, of which he is justly proud. The citation is for meritorious service and devotion to duty in general, but in particular

is given as a reward for bravery displayed at Ardenarde, Belgium, on November 3, when he entered that place before it was entirely cleared of Germans and while it was still under heavy shell fire. Following is a copy of the citation:

## SERGEANT WM. ANDERSON NOW HOME FROM OVERSEAS

"Well, here we are back home again, in the good old U. S. A., having wandered many weary miles in search of the elusive hun as well as vin-cooties, war, excitement and other things — and got nothing to show excepting experience," said Sergeant William Anderson Monday to a Herald reporter. "We got back home in Lents on the night of June 10, between two days as it were, and tried to lay low for a while until people forgot to question too close as to why I did not bring back the crown prince's ears and fulfill a few more extravagant promises that I, like the politicians, so rashly made. But the editor ferrited me out and asked for a statement of my impressions of foreign service. I shall not say very much about the fair maids of France; of course they are nice, but American girls need not be worried. The U. S. is supreme in everything, not excepting the feminine members of its population. There was a great deal for the boys of the A. E. F. to kick about and not the least was the regulations that forbid enlisted men of the army to associate with or even speak to a nurse or Y. M. C. A. girl. Like many other good things they were for officers only. That old stuff, for officers only, is responsible for much of the contempt which many of the enlisted men felt for the much abused "shave-tail." Well, I am glad that it is all over and I am again in a position where I can talk United States to a real live American girl."

Wesley Mills, of East Gilbert road, received a painful injury to his right hand recently when his motorcycle collided with a dog on Fifty-fifth avenue and One Hundred and Third street. Wesley was thrown under his machine and dragged some distance before it came to a stop.

## POPULAR YOUNG COUPLE MARRIED

A very pretty home wedding was solemnized at the residence of Mr. and Mrs. Albert Spearow, 8122 Fifty-ninth avenue S. E., Saturday evening, June 14, when their son Ralph was united in marriage to Miss Marjorie Schoeneck, Rev. Staub officiating. The bride and groom are both well known and highly esteemed young people of this district. They are both graduates of Lincoln high school and Mrs. Spearow also graduated from the Cheney normal this spring, and was the recipient of many beautiful gifts given her at a shower before she left school. Mr. Spearow has won considerable fame in athletics as a member of the Multnomah club, which is considering sending him to New Jersey soon to compete in a contest there.

Mr. and Mrs. Spearow are spending their honeymoon at Long Beach, Wash., after which they will be at home at St. Helens, where Mr. Spearow has accepted the pastorate of the Congregational church of that city.

## SIDEWALK ORDER COMING UP FOR FINAL ACTION JUNE 25

The question of putting in the sidewalks on Ninety-second street will come up for final reading before the council next Wednesday, June 25, when it is learned from authoritative sources, the order will be passed. The matter has been before the city authorities for some time past and their final action is awaited with much interest by all concerned in securing the walks. No remonstrance has been filed and the council is said to be very favorable to the proposition.

## MRS. FREEBERG ENJOYING BETTER HEALTH IN NORTH

The many friends of Mrs. Pearl Freeberg, who left for Alaska a couple of months ago, will be delighted to hear that she is enjoying good health, and to hear of former Lents people whom she has met in the north. Following is a letter received from her yesterday by the Herald:

Ketchikan, Alaska, June 11, 1919.  
Mt. Scott Herald:

I am still in Ketchikan and like it so well I dislike to leave, though I have planned to go to Wrangell some time during the summer or early fall.

Since coming here I have had the pleasure of meeting Mrs. H. P. Elliott, who is a niece of Charles Johnson, of Foster road, and who has many relatives and friends living in and near Lents, and she herself at one time lived there. Mrs. Elliott was a patron of mine when I had the dressmaking shop on the corner of Ninety-second street and Foster road about 11 years ago. Mr. and Mrs. Elliott are the proud parents of a 10-pound baby boy born on June 6. The little lad has been named Rodger Lee Elliott.

Mr. and Mrs. Albert E. Goetz and my husband, Oscar F. Freeberg, passed through here on May 19 on their way to the Tanana. Mr. and Mrs. Goetz formerly lived on Brilliant street in Lents.

We are having beautiful weather here and I am making some interesting side trips from this place. Am having good health and am heavier than I have been for 16 years. This country surely gives one an appetite.

This town is all activity and hustle in preparation for the salmon run, which will start about July 1.

Yours truly,  
MRS. PEARL FREEBERG.

## GEORGE D. GIBSON PASSED AWAY SATURDAY, JUNE 14

George D. Gibson, late of 5018 Sixty-seventh street S. E., died June 14, 1919. For six years he had been a sufferer from paralysis. He was taken to the Miller & Tracey Undertaking parlors, where the funeral service was held Tuesday, Rev. L. K. Dickson, of the Seventh Day Adventist church, officiating. The interment was made in Mt. Scott Park cemetery.

Mr. Gibson was born in Pike county, Illinois, August 17, 1840. He crossed the plains in 1852, and was married December 22, 1864. He is survived by his widow and four children, Mrs. Mae Gerard, of Pendleton; Mrs. Alberta Campbell, Portland; Ralph Gibson, Pomeroy, Wash., and Mrs. Sophonia Regan, of Pasco, Wash. Three brothers and two sisters were present at the last rites. They are Messrs. A. B. Gibson, of Dallas; Cass and L. B. Gibson, of Salem, and Mesdames Almira Starbuck, Portland, and Sarah Patrick, of Salem.

Mr. Gibson was for two years in the Civil War service, being stationed on the Indian frontier at Walla Walla.

## GRANGE ADDRESSED BY JUDGE GATENS

Lents Grange held their regular monthly meeting last Saturday at Grange hall, with an extra good attendance. Third and fourth degree work was conferred upon six candidates in the forenoon. After the usual sumptuous grange dinner the afternoon program opened with a piano solo by Louise Kreuder, who won much applause. Judge Gatens then spoke on the "Revolt of Women" and the divorce question, which was discussed at some length. He stated that the records of his court showed that 55 divorce decrees had been awarded in 10 days, of which 39 were won by women and 16 by men. Commonest of all complaints heard in the courtroom during the hearing of the 55 cases was the affirmation of the parties that they were unsuited to each other. This plea was advanced in no less than 35 cases.

Judge Gatens said that mis-mating is by far the leading cause of divorce and that an examination of the records fail to show a true percentage of just how many domestic tragedies occur through it. He states that in many cases the parties set up other reasons which suffice for issuing the decree and do not allege the incompatibility between them when that is primarily responsible.

Another factor that seems to have had a disastrous effect on the marriage relation is employment by the woman after her marriage. In 37 of the 55 cases the wife worked before marriage and in 30 she continued her occupation after the ceremony and before there was any separation from her husband.

Acquaintanceship of less than a month's duration resulted in marriage in seven instances and in 21 cases the couples knew each other for not longer than six months. Thirteen of the parties lived together less than six months and 21 less than a year.

Fifteen husbands were charged with being unduly attracted by other women, whereas only 10 wives were said to have sought companionship of men outside their home. Cruelty was given as the grounds for divorce in 38 actions and desertion in 16. Twenty-eight of the litigants were securing a divorce for a second time and of these 17 were women and 11 were men.

Following Judge Gatens' address a violin solo was given by Gladys Gilbert which was well received.

W. H. Dufur spoke on social justice for workers, followed by a violin solo by Herbert Sommerfeldt.

Interesting remarks were made by Mrs. McCormack, of Lane county, Pomona Grange, Chaplain Blake, of Washington county, Mr. Nichols, of Evening Star Grange, and Brother Johnstone and Sister Wethered.

## EIGHT-YEAR-OLD SON OF MR. AND MRS. MAYROSE DIES

John Edward Mayrose, eight-year-old son of Mr. and Mrs. Nels Mayrose, of Arleta, died Friday, June 13. The body is at Kenworthy's undertaking parlors awaiting the arrival of Mr. Mayrose, who is en route home from Alaska.

## CHILDREN'S DAY PROGRAM SUNDAY EVENING SUCCESS

Last Sunday evening was observed as Children's Day at the Evangelical church. It is a well-known fact that the children of the Evangelical Sunday school always have a treat for the large audiences they draw. The program last Sunday evening was exceptionally good, one of the best ever held. The children certainly did themselves much credit. Much credit must also be given Mrs. Francis Rife Russell for the labor and tact bestowed in preparing the program. The program is evidence of her interested labor in drilling the participants for the occasion. The school owes her a great bundle of thanks, and she has it.

Mildred Oliver, cousin of Mrs. Fred Geisler, left Monday for her home in La Grande after a few days' visit with the Geislers. Miss Oliver has been attending the University of Oregon at Eugene.

Miss Georgie Ewing, one of Woodmere's popular teachers, left the 16th for San Francisco, where she will spend her summer vacation.
