CHURCHES

Next Sunday morning at 11 o'clock at the Millard Avenue Presbyterian church the pastor, Rev. W. Lee Gray, will speak on "God's Ways and Works." In the evening at 8:30 his subject will be "Ready to Criticize." Mr. Gray is pleased with the interest shown in the fall work.

The Ladies' Aid Society of the Laurelwood Methodist church will give a social tonight (Friday) in the basement dining room of the church. Mrs. Lillie Perry has been appointed chairman of the table committee, and Mrs. W. D. Lockwood, assisted by Mrs. W. O. Boon, will have charge of the kitchen. The proceeds are to go to the local church work.

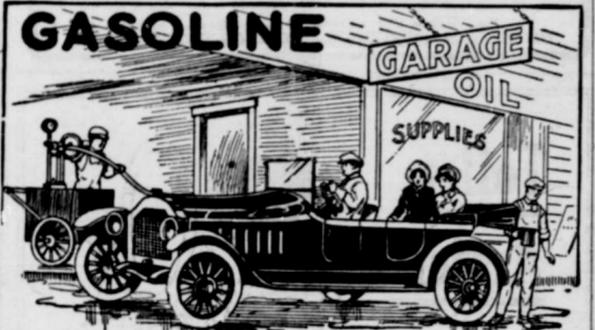

Next Sunday morning at the Laurelwood Congregational church the sacrament of the Lord's supper will be administered, at which time the pastor, Mrs. J. J. Handsaker, will give a short, appropriate address. Mrs. Handsaker is sanguine over the prospects for the year as the people are coming back from their vacations and are rallying to the work of the church. Plans are being made for a Bible class among the high school students. The course is one outlined by the authority of State Superintendent Churchill, and high school students who take the work and pass the examination required by the state will be given credit for the course in the high school to which they belong. The examinations will be held in the high school which the student attends. A committee of Salem ministers chosen by Mr. class teacher and looks after the Churchill will grade the papers. The

individual Sunday school selects the teaching. A. W. Pratten has been chosen by the Sunday school of the Laurelwood Congregational church to have charge of the work there.

Next Sunday will be the last Sunday of the conference year in the United Brethren church. In the evening the pastor, Mrs. C. P. Blanchard, will occupy the pulpit. She will speak in retrospective vein, reviewing the work of the past two years and summing its results. Mrs. Blanchard wishes a grand rally of her people and of the friends and neighbors of the church on this evening, which may prove to be her last evening as pastor of the church. Although Presiding Elder McDonald has highly complimented Mrs. Blanchard on the good work she has done in a new and difficult field, and it is only her fear that she may not be able to stand the strain of another year's work which reconciles him to the idea of her giving up the work. Mrs. Blanchard is giving the question her deepest thought and a decision may not be made till the district conference at The Dalles is held. Last Sunday morning the congregation of this church was addressed by Miss Nichols, of Chicago, who gave the history of her life in the toils of ecclesiastical bigotry.

Save Money—Buy the Best

Automobile owners cannot be too careful as to the quality of gasoline and lubricating oil they put in their cars.

It is not wise to stop your car at first one filling station and then another. This gives you mixed grades of "gas" and oil and plays havoc with your engine.

We handle only the best grades of gasoline and oil. And our prices are lower than you have often paid for cheaper grades. Get into the habit of calling here regularly and notice what a difference it will make in the way your car runs.

Quick and courteous service will meet you every time you stop here.
