**Monroe, Banker And Diplomat**

Besides fathering the famous doctrine that bears his name, President James Monroe always preached conservation by banking. His keenness made the Louisiana purchase possible.

Every great man says that banking is the bulwark of this country.

Every business man, every man, every woman, should have a bank account.

Have you one?  
If you haven't, start with us today.

**Give your Battery a Chance to get its "Second Wind"**

**R**IGHT now, after the hard service through the summer. If you know what hot weather and long night drives take out of a battery, you can appreciate the need of a "tuning-up" for the fall season with its early dusks and sharp mornings. Our

**Battery Inspection**

goes a long way toward "keeping a good battery good." Take advantage of it now. If minor repairs are needed, let us save you money by making them now. We do careful, conscientious work, using Gould parts including the famous Dreadnaught Plates.

*We think the Gould Battery is the best in the world. Next time you need a new battery, let us tell you why.*

# City of Portland Receives SIX GARY TRUCKS For Fire Bureau

GARY TRUCKS PURCHASED BY THE CITY OF PORTLAND FOR THE FIRE BUREAU

**Factory Guarantee One Full Year**

The passing of the horse proves the economy of operating by trucks; twelve horses to be disposed of by the City of Portland for the twentieth century fire equipment. The fire fighting apparatus will be installed at the Municipal Shop of the City of Portland.

The city held competitive tests for trucks that would be best suited for strength and hill climbing under loaded conditions and speed on the level and the GARY won. This was a decisive victory for GARY trucks for the competition was open and all dealers were invited to compete.

The GARY "Ten Point Test" truck is composed of standard units—Buda Motor, Brown-Lipe Transmission, Tuthill Titanic branded springs, Parrish and Bingham cold pressed steel frame.
