## HOLTBERG-GILBERT WEDDING SOLEMNIZED WEDNESDAY EVENING

A wedding of great interest occurred on Wednesday evening, March 3, at the Evangelical church, when Gladys Opal Gilbert and Roy W. Holtberg were united in the bonds of wedlock, Rev. N. Shupp officiating.

The members of the bridal party entered the church to the strains of a wedding march played by Mrs. H. S. Gilbert, a cousin of the bride, and took their places at the beautifully decorated altar. The ring ceremony was used, little Jane Shinn being ring bearer. The bride was lovely in a dress of white satin and georgette crepe and carried a bouquet of white carnations and frezias. The bridesmaid, Marie Holtberg, carried a bouquet of pink carnations and sweet peas. James Reed of Lafayette attended the groom.

Mrs. W. O. Ash sang "Let the Rest of the World Go By," with Miss Ada Alberts as accompanist.

The church was beautifully decorated with pink and white flowers, ferns and palms, the center aisle being draped with white satin ribbon.

Six young ladies, girlhood friends of the bride, were the ushers. They were Adina Morterud, Gladys Retherford, Laverne Donaldson, Frances Johnson, Mabel Sommerfeldt and Mildred Holtberg.

After the ceremony the party repaired to the home of the bride's parents, Mr. and Mrs. J. E. Gilbert, 6807 92nd street, where a dinner was given, only the immediate relatives attending.

Mrs. Holtberg is a popular and much esteemed young lady, as well as a talented musician, having taught both piano and violin for the past two years. Mr. Holtberg is a successful young business man of Lafayette, holding a responsible position with the bank there. They will leave for their new home Sunday.

## WORK RESUMED ON 72ND STREET ON THURSDAY

Consternation was prevailing among the business men on 72nd street last Tuesday when the workmen on the street improvement force stacked their implements and vanished. An investigation revealed the fact that the P. R. L. & P. Co. does not want to have anything to do with the improvement of the street and strenuously objects to sharing the expense of hard-surfacing, and also vigorously opposes moving the tracks to the center of the street. After a conference on Wednesday the workmen resumed their work again Thursday.

## LENTS A GOOD LOCATION FOR SAWMILL BUSINESS

Recent cruising on the Lee property beyond Sycamore hill proved fruitless as far as the establishing of a sawmill is concerned. However, the attention of some of the Lents business men has been directed to the advantages of promoting a sawmill industry on the site of the mill at Lents Junction formerly owned by Mr. Miller of the Miller-Mowrey company of Sellwood. The plant at this place was burned about a year and a half ago and the facilities for securing logs from the Estacada region amply warrant a scheme for rebuilding and operating a mill here to work this timber into merchantable lumber. There is said to be 100 million feet of timber tributary to the Estacada line which must come out over the tracks of the P. R. L. & P. company, 2500 acres of timber being owned by the Miller-Mowrey people, who have to ship the logs by rail through Lents on down to Sellwood. Lents needs a permanent payroll such as a manufacturing plant of this kind would furnish and business men here are hoping that someone will take hold of the proposition.

Mr. and Mrs. Lawrence Dorsey, of Estacada, are visiting Mr. Dorsey's mother, Mrs. J. P. Dorsey, of 4912 86th street.

## BERLIN DEMONSTRATION IN WHICH MANY WERE KILLED

Photograph taken during the great demonstration in Berlin against the law governing workmen's councils. The mob is seen breaking through the lines of the surety police in front of the reichstag. Later the police and troops opened fire on the crowd, killing many persons.

## BABY LEFT AT HOME; HOUSE CATCHES FIRE

Mrs. W. A. Hoes, of 67th street and 41st avenue, near Kern Park, on Thursday afternoon of last week put her baby to sleep in an upstairs room and went down town, leaving the house locked. While gone the house caught fire in the roof just over the baby. Fortunately the fire was discovered in time and a neighbor broke in and rescued the baby. The house was badly damaged and considerable household stuff ruined. There was considerable worry among the neighbors for no one knew the whereabouts of the mother. Phone calls were sent to the different places where they thought she might be. It is hoped that this experience will serve as a warning that it is extremely hazardous to leave a child locked in a house while the mother goes away. It is better to leave the baby with a friend when business calls the mother away. Many a home would be delighted with the company of a baby for a few hours. A baby that is good enough to leave alone is better to leave with some one.

Officers and members of Pleasant Valley Grange gathered with well filled baskets at the home of Mr. and Mrs. J. L. A most enjoyable social evening was passed, the aforementioned baskets contributing their share to the enjoyment. A noteworthy feature was the presence of Leland Moore, who told in a most interesting manner his experiences and observations as a member of Uncle Sam's expeditionary forces in Siberia.

Those present were Worthy Master Riekey, Overseer Bate-man, Lecturer Campbell, Secretary Sager, Treasurer Moore, Chaplain Smith, Mrs. Campbell, Mrs. Fields, Mr. Moore, Leland Moore, Mr. Fields, and the host and hostess. Among other things taken up at the business session were the election of Mr. Irvine to honorary membership in the club; and report from the Men's club committee on the present status of the Foster Road paving to the effect that the matter is still hanging fire, one business-man's committee insisting that there be made an 18 foot paved strip and another welfare committee insisting that there be no paving without the whole roadway's being done; and the election and installation of Irvin Heinrichs as president of the club to fill the place vacated by W. H. Wood who, with his family, has moved to Rose City Park.

## INCOME TAX RETURNS MUST BE MADE BY ALL BY MARCH 15TH

The Income Tax imposed by Act of Congress on earnings of the year 1919 is now being collected.

Returns under oath must be made on or before March 15 by every citizen and resident who had a net income for 1919 amounting to:

\$1,000 or over, if single; or if married and living apart from wife (or husband); or if widowed or divorced.

\$2,000 or over, if married and living with wife (or husband).

The status of the person on the last day of the year fixes the status for the year with respect to the above requirements.

Under any of these circumstances a return must be made, even though no tax is due.

Husband and wife must consider the income of both, plus that of dependent minor children, in meeting this requirement; and, if sufficient to require a return, all items must be shown in a joint return or in separate returns of husband and wife.

A single person with minor dependents must include the income of such dependents.

A minor who has a net income of \$1,000 or more is not considered a dependent, and must file a separate return.

Personal returns should be made on Form 1040A, unless the net income exceeded \$5,000, in which case Form 1040 should be used.

Residents of Oregon should file their returns with, and make payments of Income Tax to, Milton A. Miller, Collector of Internal Revenue, Portland, Ore.

### How to Figure Income.

The best way to find out whether one must file a return is to get a Form 1040A and follow the instructions printed on it. That form will serve as a reminder of every item of income, and if a return is due it tells how to prepare and file it.

If in doubt on any point as to income or deductions, a person may secure free advice and aid from the nearest Internal Revenue office.

Guesswork, estimates and other hit-or-miss methods are barred when a person is making out his Income Tax return. Accuracy and completeness must be insisted upon. The return is a sworn statement. As such it must be thorough and accurate.

Salaried persons and wage earners must ascertain the actual compensation received. Overtime, bonuses, shares in the profits of a business, value of quarters and board furnished by the employer and other items which are compensations for services must be included.

It must be borne in mind that compensation may be paid in other forms than in cash. A bonus paid in Liberty Bonds is taxable at the market value of the bonds. A note received in payment for services is taxable income at its face value, and the interest upon it is also taxable.

### Other Returns Due.

Every partnership doing business in the United States must file a return on Form 1065; and every personal service corporation must file a similar return.

Corporations must file annual returns on Form 1120.

Trustees, executors, administrators and others acting in a fiduciary capacity are required to file returns. In some cases, Form 1041 is used; in others, Form 1040; and still others, returns on both forms are required.

Information returns, on Forms 1099 and 1098, must be filed by every organization, firm or person who paid, during 1919, an amount of \$1,000 in salary, wages, interest, rent, or other fixed or determinable income to another person, partnership, personal service corporation or fiduciary. These information returns should be forwarded directly to the Commissioner of Internal Revenue (sorting division), Washington, D. C.

## DR. PERKINS WILL BE CANDIDATE FOR CITY COMMISSIONER IN FALL

Dr. T. L. Perkins, who served a short term in the council as finance commissioner to succeed Dan Kellaher has made formal announcement that he will be a candidate again in the fall for the office of city commissioner and should Mr. Pier, the present finance commissioner declare his candidacy for the mayoralty, it may be possible that Dr. Perkins will be the successor to the office, in case he is elected. During his short term in office

Dr T. L. Perkins

Dr. Perkins made a host of friends, both in and out of the city hall. Among the employes of the city he is considered the most eligible candidate to fill the office as commissioner of finance. He believes in more liberality in the city codes and ordinances and is against incorporating restrictions in building and similar codes to the point where the growth of the city is impeded.

Dr. Perkins is one of the most prominent members of the dental profession in the city and is also a member of the Elks and the Masonic order, having recently taken the degree of a Shriner.

Even should Mr. Pier in case he decides to run for mayor be defeated, Dr. Perkins stands a very good chance of beating any one of the other candidates who are now contemplating running. Mr. Mann and Mr. Barbur. While Dr. Perkins was in office he made more improvements of an initiative measure than his predecessor did in all the time he served. Dr. Perkins, with his record should lead the other candidates by a large majority at the coming general election in November.
