

## OREGON PIONEER FILES FOR REPRESENTATIVE

J. D. Lee, of 4828 32nd avenue S. E., has filed as a candidate for the nomination for representative on the Republican ticket. Mr. Lee has already had 10 years' experience in the legislature, first being elected from Polk county. He was a very influential member and successful in practical and constructive legislation, securing for the state the largest benefits at the smallest outlay.

Mr. Lee has had an active and successful career, being at various periods of his life a ranch boy, teamster, farmer, merchant, legislator, writer, platform worker, upright and patriotic citizen, filling many stations of usefulness, rearing and educating a family. He was representative from Polk county two years; senator from Polk county four years; senator from Benton and Polk counties four years; presidential elector 1908; superintendent of the Oregon state penitentiary four years; secretary Portland Board of Trade two years; editor Portland Board of Trade Journal one year; postmaster at Dallas three years; deputy clerk Portland municipal court two years; official state lecturer at the Alaska-Yukon Pacific Exposition, Seattle, 1909; secretary for Oregon 1911-1913 of the Citizens League for the Promotion of a Sound Banking System, a national non-partisan movement, inaugurated by business men, which resulted in banking reform and the present system of regional banks which has carried our country through its greatest crisis.

He has been president of the Oregon Academy of Sciences, the Oregon Pioneer Association, the Oregon Prisoners' Aid Society, of which he was the founder.

As a legislator Mr. Lee was an ardent friend of education, human progress and state development. His bill secured establishment of the Oregon State Normal and he labored effectively with his colleague, Senator Cauthorn, for the reorganization of the Oregon Agricultural College.

During these years Mr. Lee was actively engaged in business—was a merchant for 20 years, a part of the time conducting wheat warehouses and clearing wild land.

Special music at the Millard Avenue Presbyterian church last Sunday was furnished by Mrs. Charles Denetier and Mr. and Mrs. George Colvey. In the absence of the pastor, Rev. W. Lee Gray, Rev. Geo. Gelven, of Iowa, spoke morning and evening.

Dr. and Mrs. McSloy moved their household goods to their home at 5411 92nd street Wednesday. The doctor will retain his office rooms in the Yott building and will resume his practice as soon as his health permits. He is convalescing very satisfactorily at present.

Mr. and Mrs. Fred Smethurst of Salt Lake City and Mr. and Mrs. Fred Tussey and daughter Annie, took in the boat trip to Astoria and the delights of Gearhardt Beach recently. Mrs. Tussey reports a splendid find of breakfast clams at the seashore.

## PRIVATE HOMES TO HELP CARE FOR THE SHRINERS

Though Portland has 200 hotels, and in those hotels 11,000 rooms, almost all the available hotels already have been spoken for to give sleeping quarters for the thousands of visitors who will be in the city during the Shrine session, June 22 to 24, inclusive. Homes are being thrown open, but many more are needed to care properly for the expected 75,000 people who will be in the city that week, which closes with the Rose Festival.

The show planned by the Shriners will surpass anything ever attempted before, with five big parades in the three days, dances at many of the various temple headquarters, teas, movie displays direct from Los Angeles and stunts yet unannounced.

Mr. and Mrs. W. M. Quinn, of Los Angeles, arrived here Sunday evening to visit their daughter, Mrs. P. J. O'Donnell, of 6030 90th street, for an indefinite time.

Mrs. E. Starek, of 874 Minnesota, formerly of Lents, left last Wednesday for an extended visit in Baltimore, Md.

## LINEMAN KILLED WHILE AT WORK FOR P. R. L. & P. CO. NEAR TREMONT

Last Friday an experienced lineman, William Nelson, was electrocuted while working with another man on a high-powered line at the top of a pole at the corner of 57th avenue and 72nd street. It is thought by the authorities that Mr. Nelson was trying to recover a pair of pliers which had slipped out of his hands and that a circuit was formed through which the current passed. The injured man was lowered to the ground and protected from the rain by the umbrellas of sympathetic bystanders until the ambulance came. Upon examination it was found that the current had passed from the left hand across to the right side of the body and out at the big right toe, distinct marks showing where the entrance and exit had been made. Mr. Nelson's residence was at 892 Jefferson street.

#### A Popular Song

Katherine Sawatzky, April 21. All day I was haunted by the refrain of a popular song. At half past four I was awakened by the footsteps of our milkman and as he went away I heard him whistling it. As I was dressing I heard cook singing it. At the breakfast table my small brother attempted it. Arriving at school I heard the orchestra playing it. As I prepared for bed I found myself succumbing to its influence.
