

Help given by O. A. C. to Oregon Farmers

in grain-raising, dairying, horticulture, stockraising, poultry production and other branches of agriculture, have

**SAVED OREGON MORE THAN
HIGHER EDUCATION
HAS EVER COST**

from its very beginning in Oregon. The College has reduced cost of production, improved quality of product, and helped keep down the pests of farm, garden, orchard and field.

**LIKE THE STATE UNIVERSITY
AND THE NORMAL**

it has helped bring school, business, and home into vital contact, and has helped demonstrate that

**HIGHER EDUCATION IS OF DIRECT
HELP TO THE COUNTRY
DISTRICTS**

But higher education in Oregon is crippled by great increases in attendance, by lack of buildings, by the fallen buying power of the present millage support, and by the failure of the millage support to grow.

You are respectfully urged to vote for the new millage support bill on May 21, the Higher Educational relief measure.

Young people's prayer meeting at 7 p. m. "A Trip Through Cuba."
Preaching service at 8 o'clock. Theme, "The Weakling and the Strong Man Face to Face."
The church raised more than \$23 on the \$100,000,000 campaign. The Willing Workers' class at its social gave an excellent entertainment and raised more than \$10 for the campaign. We hope to hear from them again.

Friends Church
Bible school 9:45. A contest is on between the classes for a banner with the motto "All Here on Time." Hope all the classes will win next Sunday.

We will have a short Mothers' Day program at the Sunday school hour next Sunday consisting of songs and recitations by the children and a pageant by the mothers.

The Sunday school chose as its motto last Sunday a week ago "With God we conquer."

Church services at 11 a. m. and 7:30 p. m. Miss Terrell will give the messages.

Mr. Martin, of the American Sunday school Union, addressed an interested and attentive audience last Sunday morning.

Prayer meeting Thursday at 7:45, with the monthly business meeting of the church following. These meetings are times of refreshing to the 35 or 40 people who usually attend. The church would hold more.

The C. E. society had an extra good meeting last Sunday evening. The meeting was held in the annex of the church, this being possible because of the recent purchase of an organ for that room by the Sunday school. We expect they will try it again next Sunday.

Don't forget the children's meeting at 4 o'clock on Wednesday. Miss Isler is the successful leader of these meetings.

The study class on Wednesday night in the annex is being well attended and is profitable to all.

Mrs. Nettie Littlefield visited with her niece, Mrs. Murry Hunt, last Saturday, who has recently moved out on a little ranch on the Oregon City car line. Mrs. Hunt returned with her Sunday, and we were glad to see her smiling face at the church services.

Laurelwood Church News

The annual mite box opening of the Woman's Home Missionary Society will be held at the Laurelwood M. E. church on May 14. A nice program will be prepared.

Mrs. Williamson and Malcolm attended the district cabinet meeting of the Epworth League held last Monday evening at the home of Mrs. Miller in Laurelwood.

Owing to the sessions of the Evangelical annual conference for Oregon which is now in progress at East 6th and Market streets, and which will continue

during most of the week, there will be no preaching at Lents Evangelical church Sunday night. On Sunday at 11 a. m. however, one of the conference ministers will fill the pulpit. On Wednesday night Bishop Heimiller delivered an interesting lecture at the conference room on his observations in the war-stricken zones of Europe, he having spent some months over there after the war. Many Lents people attended.

Oregon Man Leader in
Great Religious Program

WILLIAM HIRAM FOULKES.
On the "general staff" of perhaps the greatest alliance of American Protestant Churches in history—the Interchurch World Movement—is a former pastor of Presbyterian Churches in the Middle and Far West: William Hiram Foulkes of New York City.

Vice chairman of the interchurch executive committee and associate general secretary in its cabinet, Mr. Foulkes still finds time to direct the \$46,000,000 New Era Movement of the Presbyterian Church, which is that denomination's part in the interchurch program for Protestant co-operation in world-wide missionary advance.

Born in Quincy, Me., Mr. Foulkes preached in Elmira, Ill., Clinton, Ia., and Portland, Ore., before he came out of the West to become pastor of Rutgers Church, New York City. His nation-wide campaign for good clergymen, as general secretary for ministerial relief and sustentation of the Presbyterian Church, made known his ability as an orator. In 1916 he was sent to Edinburgh as a delegate to the World's Missionary Conference. He is secretary of the executive committee of the Presbyterian National Service Commission.
