With the harvest of one of the largest cherry crops in the history of the state in full blast, the fruit, rain-split, is a drug on the market and hard to move at any price, according to reports coming from Willamette valley points.

Representing practically every line of business in Portland, a petition bearing the names of more than 300 men and women urging Mayor George L. Baker to announce himself a candidate for re-election, was presented to the mayor.

Franklin D'Olier, national commander of the American Legion, will be a Portland visitor from Saturday, August 7, to 10, according to a communication received from national headquarters by W. B. Follett, state commander of the legion.

The Morrow county wheat harvest is expected to begin in the country north of Lexington and lone this week. The crop promises a heavy yield. Some fields were slightly injured by the recent hot weather, but the damage is not believed to be great.

A definite decision to proceed with the construction of the proposed Baker natatorium as long as the funds on hand will allow has been reached, and under the superintendency of City Engineer J. W. Peters active work on the excavation for the pool and building has started.

The rates, practices and service of the Bentley Telephone company are to be investigated by the Oregon public service commission on August 2, according to an order issued by the commission. The corporation serves a number of towns in Polk, Lincoln and Yamhill counties.

A defeated candidate of either the republican or democratic party for nomination for office at the primary election cannot accept the nomination of the rival party or become an independent candidate at the general election, according to a legal opinion given by Attorney-General Brown.

At the request of the Chamber of Commerce, R. L. Polk & Co. are taking a census of Medford while securing names for a new city directory, checking the federal census recently announced, which, it is generally held in Medford, is a thousand or more short of the city's real population.

The Oregon peach crop has probably never before been so near a failure as this year, according to F. L. Kent, field agent for the bureau of crop estimates, who has just made a thorough canvass of the state. Except in the Ashland and Grants Pass districts the prospect is "no crop this season."

A file of the "Stars and Stripes," the paper published by the American troops in France, has been presented to the Albany public library. It is the gift of Captain C. B. Winn, for many years a resident of Albany and now of San Bernardino, Cal., who served in France in the quartermaster's department of the army.

New indictments for alleged sugar profiteering were returned by the federal grand jury in Portland against L. M. Starr, president of the Starr Fruit Products company, and Richard Adams, agent for Parrott & Co., of California. The indictments were brought in because in the other indictments returned recently there were said to be slight errors on the percentage of profit charged.

Establishment of a big Swiss colony in some good farming community of Oregon is contemplated by E. H. Baily, of the Baily Company, Inc., who with eight delegates from Switzerland was in Portland making a survey of the situation. It is proposed to bring to Oregon 100 or more families of the best class of Swiss farmers and provide homes for them in some district which will be suitable to them.

The award has not met with general satisfaction among the other companies.

Under the new gubernatorial succession amendment to the state constitution, W. T. Vinton, of McMinnville, president of the Oregon senate, was acting governor of the state while Governor Olcott was at Olympia at tending the funeral of Secretary of State I. M. Howell, of Washington. Under the new amendment the president of the senate, and not the secretary of state, is the governor's successor in event of inability of the latter to act.

The milk distributors of Portland will not pay in excess of \$3.20 a hundredweight for milk, nor will they consent to an increase in the retail price at this time. The Oregon Dairymen's Co-operative league will not deliver milk to distributors who refuse to pay the league price, but instead will immediately take steps to secure equipment and deliver milk direct to the consumers of Portland. Out of these two ultimatums there promises to develop a pitched battle between distributors, who propose to deliver non-league milk, and the league, which plans to distribute its own milk.
