Live Up to Your Ideal.
You always make your best impressions when you are through and through what you want folks to think you are. It's not a matter of flimsy, it's a matter of having character from the stuff nature has given you. It's hard work. Putty is easily molded and as easily yields to crumbling processes. Character becomes flint, with the years that testings bring. So begin now to make yourself all you want your ideal to be.—Exchange.

Holy Cities of Old World.
Allahabad is the holy city of the Indian Mohammedans, Benares is the holy city of the Hindus, while Cuzco is that of the ancient Incas. Jerusalem is the holy city of the Jews and Christians, Mecca, Medina and Damascus have first place in the affections of the Mohammedans.
