The Ashland city council has called  
 two special elections for this month  
 for the purpose of voting on proposed  
 improvements in the city water sup-  
 ply. One proposal is to bond the city  
 for \$100,000 to buy Buck lake, 25 miles  
 east of Ashland. This will be passed  
 upon September 23. The council then  
 ordered another election September 18  
 for the purpose of voting on bonding  
 the city for \$100,000 for erection of a  
 dam near Mount Ashland, which, it  
 is claimed, would conserve enough  
 water for all purposes.

Young men and women of Lake  
 county, who desire the advantages  
 of higher education in state institutions  
 in Oregon, may go to college for many  
 years to come at no expense to them-  
 selves, according to the provisions of  
 the will of the late Dr. Bernard Daly,  
 an old-time citizen of Lake county.  
 The board of trustees of the fund left  
 by Dr. Daly found that more than  
 \$700,000 is left by the will to be used  
 to educate the young men and women  
 of the county, which is very sparsely  
 populated. Probably not more than  
 15 persons will be available to take  
 advantage of this offer yearly, it is  
 thought.

Ask any DORT owner about the gasoline consumption  
 of his car and he will tell you that he is agreeably sur-

It is not unusual, but rather common, for the DORT to  
 average between 20 and 25 miles to the gallon of gaso-  
 line. It's the logical car for you to buy.
