EVANGELICAL CHURCH NOTES

The special meetings which have been conducted for the past four weeks closed Thursday evening. However, there is to be a special rally Sunday. Three services will be held. At 11 a. m. the subject will be "Paying the Price." At 3 p. m. a meeting for men only. Boys over 12 years old with their fathers or guardians will be welcome. Every young man in Lents should hear this message. The male chorus will sing. At 7:30 p. m. the subject will be "A Misspent Life."

MILLARD AVENUE PRESBYTERIAN CHURCH

On Friday evening at 8 o'clock J. J. Handsaker will give a stereopticon lecture on Armenia, using new slides. Mrs. Mabel Colvey will sing "Is It Nothing to You?" written especially for this work. She sang this song last Sunday in the Bible school, but will sing it again Friday evening by request. Pumpkin pie and coffee will be served in the dining room of the basement. No admittance to the basement without a ticket. No charges to the lecture, but a silver offering will be taken. All children 14 or under must be accompanied by parents or guardians to be admitted to the refreshment rooms. Mrs. Will Ormandy is in charge of the refreshment committee. Tickets may be purchased from Mrs. Will Ormandy, Mrs. Glen Saunders, Mrs. Mabel Colvey, Mrs. Fannie Lawson, Misses Lucile Marsh, Myrtle Brock and Zoe Saunders. The entertainment is under the auspices of the Sunday school and the net proceeds go to the Armenian fund.

Rev. Gardner will speak in the morning, Sunday, on "A Direct Reaction of Service." Evening topic, "The Testing of Theories."

CHRISTIAN CHURCH — Kern Park

The Loyal Workers assisted in serving a delightful luncheon to the official board and wives Monday evening. About 30 were present.

Mrs. Ward B. Swope has returned from the International Missionary convention of the Church of Christ, held in St. Louis. Mrs. Swope is president of the state Woman's Missionary society.

Sunday is the second anniversary of Rev. Gormely's service with the Kern Park church. He is well liked by his people.

The evangelistic services begin Sunday evening and will continue all week. Sunday morning topic, "In the Morning."

The social last week proved a success, both social and financial.

FOURTH UNITED BRETHREN

Sunday, November 7, is rally day in the Sunday school. It is rather late, having been postponed for various reasons, but a good attendance is expected and a special program will be given for the Cradle Roll babies and their mothers.

Sunday afternoon is the regular meeting of the Brotherhood. Rev. Ira Hawley of Second church will be the speaker, and with him will come the chorister of his church, who will favor the audience with a solo. The ladies are invited, as it is a special occasion.

Miss Lelia Luckey, pastor, filled the pulpit at Vancouver last Sunday evening, the occasion being Woman's day in the church, and she being a home missionary from New Mexico was asked to give a reminiscence of her work there. The Rev. C. P. Blanchard filled the pulpit, the theme being "Citizenship."

Sunday evening is Woman's day and Mrs. E. B. Ward, returned missionary from China, will tell of her experiences there and will have an exhibit of curios from China.

Mrs. and Mr. Ed Smith, who have been at Hood River picking apples, have returned home. Mr. Smith will soon begin building a new house on 69th street S. E.

Alfred Guthrie, our choir leader, left Monday for Philomath to attend our church college.

ARLETA BAPTIST CHURCH

Rev. Owen Day will bring the 5th topic next Sunday in the series of sermons he is now preaching, it being "The Shepherd's Voice."

A get acquainted meeting will be given at 5 p. m. Sunday by the E. Y. P. U.'s in the basement of the church, remaining for their meeting at 6:15 led by Miss Irene Crow. Topic, "Peacemakers."

The evening service topic by the pastor will be, "Unless He Repents." The midweek prayer meeting Wednesday evening, topic "Favorite Parables."

The union Hallowe'en party was well attended, the number being estimated at about 250 young people. Some of the leading features of the evening were the Witch, the Ghost and the Goblin room. In the Witches' room fortunes were told. A ghostly walk was taken through a narrow way to the Ghost room, and many ghosts were seen on the way. If you were not good the "Goblins would get you" if you didn't watch out in the Goblin room. These "get togethers" by the young people of the community cultivate a spirit of unity which is much desired by the churches.

The talk given by Prof. Wood last Sunday evening on Lady Nico-tine was highly appreciated. Among many of the good things he said was that no woman using tobacco in any form could be classed a lady and no gentleman would smoke in the presence of his mother or sisters. The writer thinks that if a girl is no lady if she uses tobacco, neither is a boy a gentleman, for it is as bad for one as the other, only custom making the difference.

The Herald does all kinds of printing, not the cheap kind, but the good kind

Horrible Catastrophe Averted!

Last Sunday, while John Eggiman was eating one of his fine juicy steaks, he discovered a big enamel chip that had adhered to the meat from the platter. "No more enamel ware for me," sayeth John, and he immediately replaced all the enamel ware in Eggiman's Meat Market with

"Wear Ever" Alluminum

The equipment was furnished by:

P. F. BLACK

4824 92nd St., S. E.

Eggiman's Meat Market

To Insure Health to Our Customers

we have replaced all our enamel equipment with

"Wear Ever" Alluminum

at a cost of \$50.00. Nothing is too good for our patrons and we shall at all times keep our market in the most sanitary condition possible, regardless of expense.

See Black about this famous aluminum ware.

16 MEN ON A DEAD MAN'S CHEST
YO! HO! AND A BOTTLE OF RUM

40 MILES ON A GALLON OF GAS - TOOT! TOOT!

Get Rid of Your Gas Grouch for Good

Don't have a grudge against the Gas Man. It's not his fault that you persist in squandering precious fuel. Equip that car of yours with a New Stromberg Carburetor. Right away mileage begins to multiply. Costs fall off. You go farther on fewer gallons of fuel. Your engine loses its gas greed. Now listen, brother—don't say—"that might work on some cars—but mine, well I don't know." Your car is no exception. Its exact duplicate—by the scores—are Stromberg equipped—and are giving more mileage by many miles, than you are getting. The New Stromberg holds official economy records on virtually every make of machine. On any car, of any year, of any size it invariably effects greater gas economy. Not only that—it actually gives better acceleration—more power and more speed. Makes a better car of the best of them. Come in and let us show you just why and just how the New Stromberg puts a crimp in fuel consumption. Put a New Stromberg on your car. Put it to a ten day test. See the savings. Figure the economy. Get the facts. Then if you are not satisfied—we will take it back and hand back our chase price without a question.
