EVANGELICAL CHURCH

Memorial services for the soldier dead will be held in this church on Sunday morning. The G. A. R. is expected to attend in a body. The pastor will preach the sermon. Everyone welcome.

Wednesday of this week was the day appointed for gathering clothing, money and toys for the Armenian relief fund. The church basement was open all day, with Father Scheuerman in charge. We are unable as yet to report the results of the collection.

A week from Sunday the pastor is planning to open the doors of the church and conduct baptismal services in the morning by sprinkling or pouring, and in the afternoon by immersion.

Paul Culver and wife have gone to Bellingham, Wash., for a visit with Mrs. Culver's parents. Her father is pastor of our church at that place.

The Sunday school children are being trained by their teachers, under the supervision of Mrs. Blanch Heidin, for the children's day program, which is to come in June.

The ladies' aid had an all-day meeting Wednesday.

Friday night the Y. P. A. passed a delightful social evening at the home of Berrie Rogers on 89th street. About 45 were present. The young people had a rollicking good time playing games and eating ice cream and cake, which was served by Mr. and Mrs. Knauss and Mr. and Mrs. Leitch. The social hour was preceded by a business session, in charge of the president, Wm. Anderson. The society voted to extend its sympathy to Mrs. Harlan and the Chapman family, who have been recently bereaved of loved ones. The suggestion made by Marion Culver, that we plan a way of becoming acquainted with our sister society at Mt. Scott, was met with approval. It was agreed that we would have our next social somewhere in the country if the weather permits. As the Blues were losers in the contest, plans have been made whereby they will entertain the Yellows on Friday night, June 3, in the open if possible. The place selected will be announced later.

Arleta News Notes

(Continued from first page.)
hostesses for the day at the Mt. Scott Mental Culture club meeting at Arleta library last week. Co. W. H. C. Bowen gave an interesting lecture on the Easter fight in the days of the Indians.

Frank H. Struble of 5435 66th street, died Monday morning, at the age of 38 years. He was taken to the hospital Saturday and operated on Sunday for abscess of the bowels. He leaves a wife and daughter, several brothers and sisters. He was buried at Riverview cemetery Thursday.

Fred Reese and family of 5313 72d street motored to Woodburn Saturday, returning Sunday evening. The previous week they motored to Eureka creek and picnicked with Mr. and Mrs. Cooper and family of the west side.

Mrs. Paul Newmeyer entertained Mrs. D. A. Davis and Mrs. W. L. Ormandy at luncheon last Monday at her new home on 71st street near Millard avenue.

Rev. E. O. Shepherd will hold memorial services Sunday evening at his church, the Third U. B. M. S. Shepherd is still in the east but expects to be back in a week or ten days.

A goodly group from our district saw "Behold the Man" at the auditorium Sunday. The chief criticism expressed was by adults, who could not get away from the fact that it was acting. There was no chance to see one's self in the play because of his fact. The lesson for children, though, was unexcelled. To them it was truly real. The scenery and costumes were beautiful—an education in themselves. Taken all in all, it is really worth anyone's while who is interested in Bible history.

At 9 o'clock Monday morning the members of Reuben Wilson Post and Shiloh Circle, G. A. R., will meet at Oddfellows hall in Lents and proceed to the cemeteries, where the graves of all veterans will be decorated. Flowers should be brought to the hall before 9 o'clock Monday morning.

THIRD REFORMED CHURCH TENTH ANNIVERSARY

The tenth anniversary of the Third Reformed church will be observed Thursday, June 2, by appropriate exercises at the church, 6019 87th St. The young people will have the following program in charge: Song, young people; piano selection, Miss M. Abplanalp; prayer; dialogue, "Uncle Morton's Gift"; violin solo, Geo. Graham; dialogue, "The Best Policy"; piano duet, Misses Sophia and Lydia Zuercher; reading, H. Schroeder; dialogue, "The Changed Housewife"; song, young people. Refreshments will be served.

The ladies' aid society will observe the tenth anniversary of its organization Tuesday, June 7, at 8 p. m. The anniversary services of the congregation proper will be held Sunday, June 12, with services at 11 a. m. and 2:00 p. m.

Clarence O'Neill has returned from a week's visit with friends in Tacoma.

Study This Picture! Know What It Means?

It means that famous vocalists and instrumentalists have compared their performances with the RE-CREATION of those performances by the New Edison. It means that there is no difference between the living performance and the RE-CREATED performance. It means that only the New Edison gives music exactly as great artists give it,—for only the New Edison sustains this sort of direct comparison. (The New Edison also plays all makes of talking machine records, —and plays them better.)
