

Mt. Scott Herald Trade-at-Home CONTEST

Throughout the advertising appearing in this section letters purposely have been omitted, which, correctly composed, will spell the name of one of the advertisers herein. Competition in this contest is open to all readers of the Mt. Scott Herald, and those living in the Mt. Scott district have the same chance of winning one of these cash prizes. Simply find the missing letters, to accomplish which you must read every ad in this section, and mail or bring your answer to the Contest Manager of the Mt. Scott Herald. All answers will be placed in a box in the office of the Herald and will be opened every Wednesday evening. The person who submits the correct answer, together with the largest number of votes, will win first prize, \$5.00 in cash and 500 extra votes. To all who submit a correct answer 500 extra votes will be given, good in count for final prizes.

JUNE 8th to 10th DATE OF
1921 ROSE FESTIVAL

The board of directors of the Portland Rose Festival association have fixed June 8th to 10th as the date for this year's three-day festival. For fifteen years the rose festival has been the most important celebration in the Pacific northwest, and ranks in beauty and entertainment features with the famous Mardi Gras of New Orleans and the New Year's Day floral parade at Pasadena.

Preparations for the festival are proceeding, and an elaborate entertainment program is being arranged including two great day parades. The floral parade, always a thing of marvelous beauty, will this year be made even more attractive by the addition of new features. The automobile section of the parade is expected to include at least three hundred handsomely decorated cars. The industrial and port development parade will be designed to depict Portland's growth as an industrial and shipping center.

The annual rose show will be put on for three days in the municipal auditorium; competitors from all parts of the rose growing sections of the United States will enter blooms for the contest. The American Rose Society's principal test garden is located in Portland and is expected to produce some new and wonderful roses for the event. Several new roses will be named during the show.

When the Lady Godiva, to alleviate the sufferings of her people, rode through the streets of Coventry garbed only in her flowing hair, she required every inhabitant to remain indoors and keep the blinds closely drawn. She was modest. But those were ancient days, before the advent of modern society costumes and bathing beaches.

It is said persistent efforts are being made to smuggle Bolshevik propaganda into the United States, and that they are at work in other countries. How their missionary work can accomplish anything in the face of the miserable failure of their doctrines in Russia itself, it is hard to see. Common sense would suggest that Bolshevism is its own worst demonstrator.

Apropos of hazing, it is an odd feature of human nature that the average student would rather be a bully than a gentleman, arguing the old definition of a gentleman as a man of kind heart, considerate ways and a just mind.
