

Mt. Scott Herald Trade-at-Home CONTEST

Throughout the advertising appearing in this section letters purposely have been omitted, which, correctly composed, will spell the name of one of the advertisers herein. Competition in this contest is open to all readers of the Mt. Scott Herald, and those living in the Mt. Scott district have the same chance of winning one of these cash prizes. Simply find the missing letters, to accomplish which you must read every ad in this section, and mail or bring your answer to the Contest Manager of the Mt. Scott Herald. All answers will be placed in a box in the office of the Herald and will be opened every Wednesday evening. The person who submits the correct answer, together with the largest number of votes, will win first prize, \$5.00 in cash and 500 extra votes. To all who submit a correct answer 500 extra votes will be given, good in count for final prizes.

Digestible Foodstuffs
 A grocer can buy two kinds of foodstuffs—the kind that possesses nourishing qualities and is readily digested, or the kind that is produced for huge profits and overtaxes the stomach.
 Buy digestible foodstuffs and you will have less occasion to call in the doctor.
