Thanksgiving Pudding
One pound of butter, one pound of suet, freed from strings and chopped fine, one pound of sugar, two and one-half pounds flour, two pounds raisins, seeded, chopped and dredged with flour, two pounds of currants picked over carefully after they are washed, one-quarter pound citron shredded fine, 12 eggs, whites and yolks beaten separately, one pint milk, one cup of fruit juice, one-half ounce cloves, one-half ounce mace, two grated nutmegs. Cream butter and sugar, beat in the yolks when you have whipped them smooth and light; next put in the milk, then the flour, alternately with the beaten whites, then the fruit juice and spices, lastly the fruit, well dredged with flour. Mix all thoroughly wring out your pudding cloth in hot water, flour well inside, pour in the mixture and tie tight at top put in kettle of boiling water and boil five hours. This may be used as a Christmas pudding.

Sauce for the Pudding
The yolks of three eggs, one tablespoonful sugar, one gill milk, a very little grated lemon-rind, one cup fruit juice. Separate the yolks from the whites of the three eggs, and put the former into a stew pan; add the sugar, milk and grated lemon-rind, and stir over the fire until the mixture thickens, but do not allow it to boil. Put in the juice and let the sauce stand by the side of the fire, to get quite hot, keep stirring it, and serve in a boat or tureen separately, or pour it over the pudding.

Mince Meat
Seven pounds currants, 3 1/2 pounds peeled and cored apples, 3 1/2 pounds beef, 3 1/2 pounds suet, 1/2 pound citron, lemon and orange peel, 2 1/2 pounds coffee sugar, two pounds raisins, four nutmegs, one ounce cinnamon, 1/2 ounce each of cloves and mace, one pint sweet cider, and one pint of any good fruit juice. Wash the currants; dry and pickle them over; stone the raisins, remove skin and sinews from the beef and suet. Chop each ingredient, separately, very fine; put into large pan as they are finished, finally adding spices, cider, etc. Thoroughly mix together and cook slowly on back of stove until the beef is done. Pack in jars and store in a cold dry place. The fruit should never be floured in making pie. If this seems too dry add more cider.

Marshmallow Salad
Cut into small pieces one box of marshmallows, one can pineapple and four bananas. Put in a granite pan 1/2 cup each of vinegar and sugar and three crackers rolled to a dust, and let cook until thick. Whip 1/2 cup cream and add to the dressing when cold. Pour over fruits and mix.

PRETTY DRESS-UP FROCK
This dress-up frock for the "flapperette" suits her pretty slender figure and early youth exactly. It is made of duvetine and trimmed with petals of the same cloth lined with crepe de chine in a bright, contrasting color. The petals are set about the round neck, which is finished with a corded piping, and the kimono sleeves are lengthened to the elbow by puffs of crepe de chine drawn up into a band.

A learned judge at a banquet was unexpectedly called upon to reply to a toast. Recovering from his surprise, he said his situation reminded him of a man who fell into the water while he was fishing. With no little difficulty he was rescued; and after he had regained his breath his rescuer asked him how he came to fall into the water.
"I did not come to fall into the water," replied the unfortunate fisherman. "I came to fish."

Adherence to radical doctrines means the ultimate breaking down of the old sturdy virtues of manhood and womanhood, the invidious destruction of character, the weakening of the moral fiber of the individual, the destruction of the foundations of civilization.—Coolidge.

GOOD THINGS FOR EVERYBODY

A good rabbit touches the spot after a hike row or an afternoon in the auto. Take two cupfuls of tomato, one cupful of green cheese, one green pepper chopped or one pimiento (canned), one slice of onion, two tablespoonfuls of butter and two eggs. Mix tomatoes, cheese, pepper and onion. Melt butter and add this mixture. Stir until heated and the cheese is melted. When hot add the well-beaten eggs slowly and cook until creamy, stirring constantly. Serve hot on toast or wafers.

Tomato Jelly Salad—Take one envelope of gelatin and soften in one-half cupful of cold water. Stew a can of tomatoes with one-half an onion, one-half a bay leaf, two cloves, one-fourth of a teaspoonful of cayenne, one teaspoonful of salt, one teaspoonful of sugar, two tablespoonfuls of vinegar; after cooking five minutes strain, reheat and add the softened gelatin, stirring until dissolved. Turn into a large mold and chill. Remove from the mold to a bed of lettuce and garnish with dressing.

Mt. Varnes Salad—To the tomato jelly above, add one cupful of chopped celery, one cupful of chopped apple and one cupful of coarsely broken nuts. Mold in small cups and turn out on lettuce. Serve with a highly-seasoned mayonnaise which may be colored red.

Heart Sandwiches—Bake a white cake in a sheet, cut in heart-shaped pieces, split and put together with a slice of brick ice cream. Cover with a thick whipped cream or a marshmallow; whip with raspberries or jelly as a garnish.

Sponge Dainty—Make a sponge cake or plain white cake mixture and bake in two round layer cake pans. Prepare butter, icing and spread between the layers and on the outside of the cake. Press the remainder of the icing through a pastry tube, in any design. Score the cake in places for serving.

FEDERATION URGES STRONG ARMY, NAVY

New York. — Maintenance of a strong army and navy is the only means of assuring the safety of the United States under present troubled world conditions, was urged in resolutions adopted at the closing session of the National Civic federation conference of international affairs.
The resolution dealing with the army commended the present national defense act, but urged that the standing army be increased to 150,000 enlisted men and 12,000 officers as advocated by Secretary of War Weeks.
The navy, said another resolution, should be maintained in every way on a basis of equality with that of Great Britain and five-thirds the strength of that of Japan.
The conference also advocated adoption of a consistent American policy in international relations, divorced from partisan politics and bringing to bear upon the other nations the influence of agreement for justice and peace.

EXPECT FIGHT IN CONGRESS

Both Wets and Drys Claim They Can Control Situation.
Washington, D. C.—The political complexion of the next congress having been definitely established, interest turned on the probable line-up on the question of modification of the prohibition enforcement laws. Both the "drys" and "wets" were claiming a victory as the result of the elections.
For the anti-saloon league Wayne B. Wheeler, general counsel, said the "wets" would not have as many votes by three at least in the senate as heretofore, and that their strength in the house would not exceed 140, or 75 less than a majority.
On the other hand, the Association Against the Prohibition amendment, through G. C. Hinkley, its general secretary, claimed a gain of 80 "liberal" votes in the house, which, it was asserted, would give actual control of that body to the modificationists.

Women Legislators in Washington.

Seattle, Wash.—The house of the Washington legislature will contain four women, according to election returns. They are Mrs. Maude Sweetman of this city, republican; Mrs. Jessie B. Kanthor, Tacoma, farmer-laborer; Mrs. Della Reeves, Wenatchee, democrat, and Mrs. H. J. Miller, Everett, republican. With Miss Reba Hurn, Spokane, the first woman in the senate, they will make five in the legislature.

Per Capita Wealth Increases.
Washington, D. C. — Individual wealth throughout the nation increased 40 cents in October, according to

a statement issued by the treasury. On November 1 the per capita circulation of money was \$41.64, compared with \$41.04 on October 1.

Government Urges Eating of Meats.
Washington, D. C.—The government has decided to come to the aid of the livestock industry and do what it can to stimulate the use of meat. A decrease of more than 25 pounds to a person in the amount of meat eaten a year in the United States was shown by latest statistics.
