The Curry County Relief Bill

Following is the report of the Senate Committee on Post-Offices and Post Roads, in relation to Relief for Curry county Oregon, submitted April 30, 1902, and ordered printed:

REPORT.

The Committee on Post Offices and Post-Roads, to whom was referred the bill (S. 3280) for the relief of Curry County, State of Oregon, having had the same under consideration, beg to submit the following report:

This is a bill to reimburse the county of Curry, in the State of Oregon, in the sum of $50,000, for moneys alleged to have been expended by it on account of the construction of a military and wagon road, and bridges connected there with, from a point on the line dividing the counties of Coos and Curry, in the State of Oregon, and running directly southward through the entire county of Curry to a point on the State line dividing the States of Oregon and California, such road being an important link in the establishment of a military and post road between the railroad at Roseburg, in the State of Oregon, and the coast ports in Oregon and coast ports in the county of Del Norte, in the state of California.

The county of Curry, in the State of Oregon, is the extreme southwest county of that State, lying on the Pacific Ocean, and but very sparsely inhabited, having a voting population of but 477, and a total population of less than 1,900, while the taxable property of the county amounts to but a fraction over $500,000. Very much of the county is little less than a wilderness, and the means of communication, until the construction of the road hereinafter referred to, were of the most meager character, and it was almost impossible to supply the inhabitants with postal facilities or to keep up any kind of communication between the settled portions of the State of Oregon and the people of that remote county and of the county of Del Norte, in the State of California, that county being the extreme northwest county of the State of California.

To overcome these difficulties the county of Curry, in the state of Oregon, in the year 1890 entered upon the construction of a postal and military road, on the line as indicated in the pending bill and at the expense of the county, and at a cost of over $75,000 completed the same in the same year, thus furnishing a good postal and military wagon road connecting the various settlements of southern Oregon and northern California as indicated in the pending bill.

In carrying on this work the county of Curry incurred an indebtedness on account thereof of $44,000, which indebtedness it is impossible for said county to meet owing to the sparse population and the small amount of taxable property, without virtually bankrupting the county.

At the recent session of the legislative assembly of the State of Oregon that body passed house joint memorial No. 1, of which the following is a copy.

HOUSE JOINT MEMORIAL NO. 1.

MEMORIAL TO CONGRESS:

Whereas the county of Curry, in the State of Oregon, has constructed a post road along the coast of the Pacific Ocean, from the north line of said county to the southern line of said county, a distance of about a hundred miles, at a cost of over $75,000; and

Whereas said Curry County has a population of not to exceed 1,868 inhabitants, and a voting population of 477; and

Whereas the takable property in said Curry County at the present time amounts to but about $503,232; and

Whereas in the construction of said post road said county has incurred an indebtedness on account thereof of $44,000; and

Whereas said road, so built and constructed by said county, is the only post-road running north and south through said county along said coast; and it is indispensable in delivering mail to the inhabitants of said county, and is daily used by the United States Government for that purpose; and the same is the only post-road west of the Coast Range of mountains running through said county, connecting the State of Oregon and the State of California; and

Whereas it is only just that the General Government should aid in the construction and maintenance of said post-road to the extent, at least, of reimbursing said county in the amount of said indebtedness, as a matter of justice to the people of said Curry County:

Therefore, the legislative assembly of the State of Oregon does hereby petition and memoralize Congress of the United States to appropriate to said Curry County the sum of $44,000 to relieve it from the indebtedness incurred in the building and construction of said post-road; and our Representatives and Senators in Congress are hereby directed to use their best efforts to secure such an appropriation, as a matter of justice to the tax payers and the people of said Curry County.

The secretary of state be, and he is hereby, authorized to transmit a certified copy of this memorial to our delegation in Congress for their instruction and guidance.

Adopted by the house January 17, 1901.

Senate amendment concured in by the house January 22, 1901.

L. B. REEDER,
Speaker of the House.

Concurred in by the senate with amendment January 21, 1901.

[Indorsed.]

House joint memorial No. 1. A. C. Jennidgs, chief clerk. Executive department, State of Oregon. Received January 29, 1901 Filed January 31, 1901. F. I. Dunbar, secretary of state.

United States of America, State of Oregon:

Offiice of the Secretary of State.

Salem, Oreg., February 3, 1902.

I, F. I. Dunbar, do hereby certify that I am secretary of state of the State of Oregon, and custodian of the seal of said State; that the foregoing transcript of house joint memorial No. 1, of the twenty-first regular session of the legislative assembly of the State of Oregon January 31, 1901, has been by me compared with the original copy of the said house joint memorial No. 1, now on file in this office, and that it a true and correct transcript thereof, and the whole of said original house joint memorial No. 1.

In testmony whereof I have hereunto set my hand and affixed the seal of the State of Oregon.

Dated at the capitol at Salem, Oreg., this 3d day of February, A. D. 1902.

F. I. DUNBAR,
Secretary of State.

This memorial speaks for itself.

In view of all the circumstances, as hereinbefore recited, which present a case wholly exceptional, and which cannot be regurded as a precedent, your committee believes that it is the duty of Congress to relieve said county of Curry from said indebtedness.

Your committee therefore report back the bill (S. 3280) with the following amendment:

In line 5 strike out the word "fifty" and insert in lieu thereof the word "forty-four."

And with this amendment your committee recommend the passage of the bill.

Louis Smith, a Chicago man had a gold mine until Postoffice Inspector James E. Stuart called and seized his stock along with his printing press and plates. Mr Smith had been printing postal cards for about two years and he was certainly working Uncle Sam.

G. W. Williamson, of Macomb, Ill., lately coughed up a bullet that had been imbedded in a long since 1862, when he was shot in a skirmish with confederates at Holly Springs, Miss.

Forty thousand Porto Ricans showed their love for the late President McKinley by contributing to his monument fund in sums from 5 cents up to $1 each, the total amounting to $1,700.

THE REPUBLICAN PLATFORM.

Declaration of Principles for the State Campaign of 1902.

The Republican party of Oregon in state convention assembled, proud of its record and past history, its devotion to the principles of human liberty and human rights, its great and imperishable names which lend luster and glory to the American Nation at home and among the nations of the earth, and as an assurance of its continued fidelity to the great principles for which it has contended in the past in State and National affairs, does hereby make and affirm the following declaration of its principles:

The events of the late war with Spain carried us into the Philippine Islands. We hold it to be consistent with the principles of liberty and of our National life that the sovereignty of the United States should be maintained in the islands, under such local self-government as the people may be, or may become, fitted to participate in. We therefore declare against all proposals looking to the retirement of the United States from the Philippine Islands.

That in the war which President Roosevelt has inaugurated against the gigantic combinations of incorporated capital he has the united and enthusiastic support of the Republican party of Oregon.

We demand and insist upon the passage of the bill now pending in Congress for the exclusion of Chinese, known as the Mitchell-Kahn exclusion bill.

We reaffirm our allegiance to the principles of protection in necessary cases of industries still in their infancy or unable to compete with foreign productions.

We recognize the right of labor to organize and combine for mutual protection under the law, and we recommend that the Legislature enact all necessary legislation to protect labor in all its rights and privileges. In the interest of American labor and the upbuilding of the working man as the corner-stone of the prosperity of our country, we recommend that Congress create a Department of Labor in charge of a secretary, with a seat in the Cabinet.

We demand that a law be passed by the next Legislature placing all public officers of this state upon reasonable salaries, which shall not be increased during the incumbent's term of office, and beyond such salary they shall receive no compensation as fees or otherwise.

In order to promote the development of the mineral resources of the state, we are in favor of the creation and maintenance of a mining bureau by the state.

We declare our approval and support of the suggestions of President Roosevelt for the irrigation of the arid lands of the country. This work should be undertaken by the United States as soon as possible, and carried forward on a consistent plan, under direction of the General Government.

We urge our Representatives in Congress and Senators to use every effort to secure the speedy opening of the Columbia River between the Dalles and Celilo, and for clearing the river of obstructions to navigation from its mouth to the head of navigation. We urge also renewed and continued effort for improvement of our Coast harbors and streams within the state, and the speedy construction of an isthmian canal

That the public lands are the heritage of the common people and should be held in trust for the use and benefit of all the people under the homestead laws. We are therefore unalterably oppossed to all plans, schemes or propositions for leasing public domains, either to corporations or individuals.

We favor a policy by the state and the United States which shall further foster and support our fisheries, and we request the Legislature to enact such further measures as may be found by experience necessary to obtain this result.

We demand and insist upon the immediate passage by Congress of the United States of the oleomargarine bill, known as the Grout bill, now pending in the Senate.

That we favor the proposed amendment to the state constitution providing for the initiative and referendum, and recommend its adoption by the people of the state.

We declare our approval of the principles of the primary law enacted by the Legislature at the session of 1901, and we ask the Legislature to extend this law so that in its main features it may apply to primary elections in all election precincts throughout the state. And we further reccommend the election of United States Senators by popular vote.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
