Wedding Bells.

At 10:30 o'clock Sunday morning, June 22, 1902, Mr. Edward A. Ashman, one of Port Orford's most popular and industrious young men, and Miss Bertha F. Sutton, second daughter of Mr. and Mrs. Walter Sutton, were joined in the Holy Bonds of Matrimony, by the Rev. George Gillespie, under the impressive ceremonies of the Presbyterian Church.

The Church was beautifully decorated for the occasion, and at the appointed hour the bridal procession marched down the aisle of the Church to the Wedding March, excellently rendered by Mrs. Caldwell. Miss Katie McKenzie and Mr. David McKenzie acted as bridesmaid and best man, with Vernie Champlin and Bessie Kerr as flower girls.

The happy young couple start upon the journey of life under most favorable circumstances, and the best wishes and sincerest blessings from all go with them.

The happy couple were the recipients of many beautiful and costly presents from friends and relatives.

May their path through life be strewn with flowers of happiness as their path down the aisle was strewn with the flowers of nature.

SHERIFF'S SALE.

Notice is hereby given that by virtue of a writ of execution issued out of the Circuit Court of the State of Oregon for the County of Curry, on the 19th day of June, 1902, in favor of W. Rigby, Jr., Plaintiff, and against Charles Bailey, Jr., Defendant, for the sum of \$102.90, with interest thereon from July 26, 1898, at 8 per cent per annum, to me as Sheriff of the County of Curry, directed and delivered, commanding me to make said sum of \$102.90 and interest as aforesaid out of the personal property of said judgment debtor, and if sufficient personal property belonging to him, said judgment debtor, could not be found in my county, then out of the real property belonging to him in said county; and because no personal property of the said judgment debtor could be found in my county out of which I could make the same, I have levied upon the following real property belonging to said Charles Bailey, Jr., judgment debtor aforesaid, to wit: SE¼ section 31, SW¼, W¼ of SE¼ of section 32, Township 35 south, range 14 west, and the W¼ of the NE¼ of section 5, in Township 36 south, of range 14 west, situated in said Curry county, Oregon, and I will, on Saturday, July 26, 1902, at the court house door in Gold Beach, in said Curry county, at the hour of 2 o'clock in the afternoon, offer for sale at public auction, to the highest and best bidder for cash, all the right, title and interest which said Charles Bailey, Jr., had in or to said lands on the 22d day of May, 1902, or at any time afterward, to satisfy said execution, together with the costs and expenses of making such sale.

Dated at Gold Beach, Oregon, this 9th day of June, 1902.
GEO. W. MILLER,
Administrator of the Estate of Jesse Hill, deceased.

Gold Beach Items.

Gold Beach, June 15, 1902.
Judge Riley is visiting his daughter, Mrs. E. A. Bailey, of Wedderburn.

J. R. Browning is engaged in building the flume that will tap the waters of Indian Creek. The ditch is about completed, and with flume, ditch and pipe, a good portion of Indian Creek will soon be flowing on the Wedderburn side of the river.

Several parties were in town yesterday, filing on timber claims. Among them were Thomas Cook and wife, Fred Stewart and his mother, Mrs. F. A. Stewart, Will Miller and wife, and several others.

We join with the many friends here, of Mr. and Mrs. John R. Miller, in extending to the happy couple our best wishes for their happiness and prosperity. They are at present guests at the Wedderburn Hotel. A very successful and enjoyable dance occurred at the Wedderburn Hall last night, at which they were present.

The steamer Rogue River is at the bottom of Rogue River. With considerable trouble, and after breaking her wheel, she succeeded in reaching the mouth of the Illinois river, but soon after starting on the down trip ran on a rock, where she hung fast. She rapidly filled with water, and is now resting on the bottom in very swift but shallow water. Had the owners of the boat employed one of the boys who have been raised on the river, as pilot, this accident might have been avoided.

Zip.

Christmas Home.

'Rah for Chamberlain! While Oregon may not be furnished with a Governor to Zip's liking, there is no doubt but that Mr. Chamberlain is a better man to guide the ship of state than Banker Furnish, as Mr. Chamberlain has an excellent record, while that of his opponent is a little bit cloudy, he having been accused of collecting \$25,000 illegal fees, while sheriff of Umatilla county.

Uncle Robert Lowe, who has been visiting his Eckley friends during the past three weeks, leaves this morning for D. Elgin's, with the mail carrier.

Eckley expects to be represented at the Port Orford celebration July 4th, 1902.

Your correspondent is in receipt of a letter from R. D. Hume, bearing date of May 23d, postmarked Wedderburn May 24, postmarked again at Port Orford May 26, arriving at Langlois the 26th, lying there till June 12, and reached Eckley June 14th, just 21 days after leaving Wedderburn. If Mr. Hume travels as slow as his letter, it might be advisable for him to start for the legislature about Nov. 1, so as to be on time.

Miss Pearl Fetter, daughter of L. B. Fetter, of Remote, Coos county, is engaged to teach a term of school in the Eckley district.

Mrs. Robinson, who lives in the Willamette valley, is visiting her cousin, Mrs. J. A. Haines, and family.

Mrs. Ida Murphy, nee Haines, of Los Angeles, Cal., arrived on Saturday, on a visit to her parents, Mr. and Mrs. J. A. Haines. Miss Hattie went as far as Myrtle Point to meet her sister.

Some party or parties broke into the cabin of Seales and Thomson, on South Sixes, and helped themselves to two cases of canned fruit and potatoes. It is a pity these light fingered gents cannot be caught and made an example of.

Word has been received that Seales and Thompson have agreed to disagree, and have thrown up their mining proposition, and are offering their engine and all mining implements for sale. It seems that Mr. Thompson is not a miner, and a third partner being in California, Mr. Thompson having no faith in Mr. Seales' ability as a miner, is the cause of their agreeing to disagree.

While at Wedderburn recently, I was informed by Mr. Doyle, Mr. Hume's Prime Minister, that Mr. Hume had not yet completed his Cabinet, but the following were decided on sure: Walter Sutton, Minister to Ireland; Louis Knapp, Minister to Russia. Mr. Hume's Prime Minister informed your correspondent that Mr. Hume would select all his appointees to foreign countries from citizens born in the country they represent. Your correspondent is daily expecting an appointment as Minister to Missouri.

Eczema

How it reddens the skin, itches, oozes, dries and scales! Some people call it tetter, milk crust or salt rheum. The suffering from it is sometimes intense; local applications are resorted to—they mitigate, but cannot cure. It proceeds from humors inherited or acquired and persists until these have been removed.

Hood's Sarsaparilla positively removes them, has radically and permanently cured the worst cases, and is without an equal for all cutaneous eruptions. HOOD'S PILLS are the best cathartics. Price 25 cents.
