Henry Colvin, of Gold Beach, constitutes one of the crew of the Copper Queen on her trip to Port Orford.

The heaviest rain storm of the season occurred Sunday night and Monday, admonishing us that the winter season is upon us.

Isaac Coy and family, formerly of this county, reside at Gold Hill, Jackson county, Mr. Coy being employed in a mine at that place.

C. S. Winsor is expected to arrive at Wedderburn in a few days, to assume the management of Mr. Hume's business, in place of Mr. Duncan, who will retire.

A well written article bearing upon the Lumber Resources of Curry County, written by Hon. F. A. Stewart for the Oregon Timberman, appears on our first page.

D. L. Moore, of Euchre Creek, was doing business in Port Orford during the week. The gentle voice of Coonskin Charley, the Euchre Creek merchant, was also heard on our streets.

Dr. Green, of Dairyville, fortunately, happened along about that time, and rendered the sufferer valuable assistance. E. C. Pentland, representing the Portland Oregonian, has been spending the past week in Port Orford, gathering data for a write-up of the place, having already interviewed the people of Del Norte county, and Southern Curry. Mr. Pentland is an experienced newspaper man, a writer of ability, and may be depended upon to do justice to the country through which he passes. It is pleasing to note that the Oregonian and the people of Portland, who have so long ignored Southwest Oregon, are beginning to acknowledge the importance of the undeveloped resources of this part of the State and are making an effort to place themselves in closer touch with us commercially.

Henry Axtel, who made the trip from here to Oakland, Calif., down the coast, on his wheel, writes us an interesting letter, from Tucson Arizona, under date of Oct, 20th, 1902, from which we glean the following:

"I arrived here last week with a patient from the Institute. I arrived in Oakland, Cal., Oct. 3d, after my ride from Port Orford. I was nine days riding from Port Orford to San Rafeal, distant 512 miles by wagon road. My cyclometer, which I had attached to my wheel, registered 102 miles when I reached Crescent City, 205 at Eureka, and 400 at Ukiah. I am very much pleased with the climate here. I had a couple of copies of the morning paper sent to you, in them you will find a discription of this place, telling about the climate, etc. With best wishes for all, I remain yours Respectfully."

Edward A. Bailey, of Wedderburn, has been duly appointed County Judge of Curry County, to fill the vacancy caused by the death of Judge M. Riley. Mr. Bailey's appointment by Governor Geer was made in compliance with the popular demand of the voters and taxpayers of the county, and gives the best of satisfaction to all, regardless of party affiliation. Mr. Bailey is one of the substantial citizens of the county, who, by honest, straightforward, intelligent dealing has made a success of his own business, and has demonstrated, by his ability, integrity, candor, and desire for justice and fair dealing under all circumstances, that the affairs of the county will be safely and economically conducted while in his hands. The TRIBUNE joins with the people of the County in congratulating Mr. Bailey on his appointment, and we also congratulate the people on having a Governor who is one of them, and who is willing to adhere to all reasonable demands of the majority.

Commencing with Nov. 14, and continuing until and including the 21st, Dr. Strange will be in Port Orford, to do such dental work as may be required. Call on him, one and all, who want work.

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it.

In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

The Pacific Furniture & Lumber Company.

The Pacific Furniture & Lumber Company have a new ad. in this issue. This enterprising company have accomplished much good for Curry county since their advent, only a short time ago, by inaugurating and building new businesses, employing many men at good wages, investing in real estate, placing thousands of dollars in circulation, and adding materially to the general prosperity of the country. They have shown conclusively that they are here for legitimate business, and are here to stay, and since their success in their various enterprises means renewed success and prosperity for all, they are entitled to kind consideration and encouragement at the hands of the people. We predict that the advent of this company is the forerunner of many important business enterprises, which will rapidly develop the immense resources of the county, and that we are on the eve of the most prosperous times ever known in Southwest Oregon.

The Knapp Hotel, Port Orford, is one of the pioneer institutions of Southwest Oregon that has ever kept pace with the times, and is one of the best known houses west of the Coast Range. It is up to date in every respect, and is one of the most popular resorts for tourists, commercial travelers, visitors and the traveling public generally, for there is always good living, and everything is neat, clean, homelike and comfortable.

A bold robbery occured at the Centennial Saloon yesterday morning. Mr. Wren, the barkeeper, hung up his coat, containing $80 in bills and $15 in checks, for the purpose of cleaning house. On taking his coat he discovered that his pocket book was missing. P.O. Hulburt who has been in Port Orford for a couple of weeks, was suspicioned and a warrant of arrest sworn out. His hearing will take place today before Justice Jensen.

Salem, Oct. 20.—Gov. Geer yesterday afternoon appointed E. A. Bailey, of Wedderburn, County Judge of Curry county, to fill the vacancy caused by the death of the late M. Riley. Judge Bailey's appointment was asked for by a very lengthy petition, containing the names of about three-fourths the adult male population of the county. Hon. A. H. Crook, a former representative in the legislature, and Hon. Jerry Huntley, were also recommended for the appointment, but did not have the numerical backing of Bailey. The appointee is a republican as are the others.

Most of Dr. Caldwell's time is occupied at Rogue River and vicinity, of late, where there is an unusual amount of sickness. He came up on the Copper Queen, but returned the same day to Gold Beach.

The steamer Redondo is expected to arrive here soon, to take the remainder of the P. F. & L. Co's lumber now at the wharf. This will probably be the last shipment until next spring.

During the severe southerly gale and raging sea of Sunday night and Monday, the little Copper Queen lay comfortably at our wharf during the entire storm.

A large number of Sixes River people are out at Roseburg, attending the Divelbiss Mathers land contest, which was to have a hearing Oct. 27.

Filings and proofs on timber claims are being continually made before Commissioner Huntley and the County Clerk at Gold Beach.

A Portland concern, headed by Davis and Koontz, is scouring the entire county for all available timber land.

Sheriff Walker is takfng the initial steps toward enforcing the collection of taxes. Pay up and save costs.

Dr. Strange will be in Wedderburn Nov. 2 to 9, and at Euchre Creek Nov. 10, 11 and 12—and at Langlois Nov. 22 to 27.

The Fishing Game is on at Rogue River. "Third down and all to gain."

Jesse Root, a halfbreed boy, died at Gold Beach last week.

Pains in the Back

Are symptoms of a weak, torpid or stagnant condition of the kidneys or liver, and are a warning it is extremely hazardous to neglect, so important is a healthy action of these organs.

They are commonly attended by loss of energy, lack of courage, and sometimes by gloomy foreboding and despondency.

"I had pains in my back, could not sleep and when I got up in the morning felt worse than the night before. I began taking Hood's Sarsaparilla and now I can sleep and get up feeling rested and able to do my work. I attribute my cure entirely to Hood's Sarsaparilla." MRS. J. N. PERRY, care H. S. Copeland, Pike Road, Ala.

Hood's Sarsaparilla and Pills

Cure kidney and liver troubles, relieve the back, and build up the whole system.

DENTISTRY.

The fall visit of Dr. Strange to Curry county occurs in November, as follows: At Wedderburn Nov. 2 to 9; at Euchre Creek Nov. 10, 11; at Port Orford Nov. 14 to 21, and at Langlois, Nov. 22 to 27. Those desiring the services of a First-Class Dentist will consult their interests by calling on him. All work first-class and fully warranted and all guarantees made good. His charges are very low compared with what is usually charged by others who visit Curry county, and yet his work is as good or better.

Card From Mr. Bailey.

TO THE TAXPAYERS AND VOTERS OF CURRY COUNTY:

I desire, through the columns of the TRIBUNE, to extend my thanks and sincere appreciation of the confidence you have reposed in me by your almost unanimous endorsement of myself for the office of County Judge of Curry county; and I assure you that I will use every effort to prove myself worthy of the unreserved confidence thus expressed, by a careful, economical and just administration of the duties of the office, without prejudice, and with a sincere desire to be fair and just at all times and under all circumstances.

Very Respectfully,

E. A. BAILEY.

Wedderburn, Or., Oct. 27, 1902.

The Royal Month and the Royal Disease.

Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its bunches, cutaneous eruptions, and wasting of the bodily substance—without thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permnant cures of this one disease are enough to make it the most famous medicine in the world. There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one, in arresting and completely eradicating scrofula, which is almost as serious and as much to be feared as its near relative,—consumption.
