Sudden Death of Congressman Tongue.

Washington, Jan 12.—Representative Thomas H. Tongue, of Oregon, died suddenly in this city at 1 o'clock yesterday afternoon. The cause of death was paralysis of the heart due to acute indigestion and overwork. Only his daughter, Miss Bertha, and his secretary, Miss Ruane, of Hillsboro, Or., were present when he was stricken. Thomas H. Tongue, Jr., his son, who occupies apartments in another section of city, did not arrive until after the death of his father.

When Mr. Tongue retired late Saturday night he left directions to be allowed to sleep late, as he was worn out with a week of hard work. He did not arise yesterday morning until after 11 o'clock, and ate a simple breakfast. He then talked with Mr. Gilfrey and Mr. Dodge, two Oregonians, after which he joined his daughter and Miss Ruane in the sitting room of their apartments. About noon he complained of indigestion to which he was subject, and asked his daughter to get him a simple remedy which he had at hand. She urged him to allow her to send for a physician, but he would not consent. Within a few minutes he began to breathe in a labored way, and then physicians were telephoned for. Dr. Bovee was not at home, but other doctors came and did all they could to relieve the patient, but their efforts were unavailing and Mr. Tongue expired about an hour after he was first attacked.

Immediately after Mr. Tongue's demise Speaker Henderson was notified, and he in turn directed the Sergeant-at-Arms of the House to take charge of the funeral arrangements. Mr. Casson engaged a private car to convey the funeral party, consisting of Thomas Tongue, Jr., Miss Bertha Tongue and Miss Ruane and members of the committee of the House and Senate to the Representative's home at Hillsboro. The car will be attached to the regular train leaving here over the Pennsylvania Railroad, at 7:45 tonight.

Congressman Thos. H. Tongue, whose home was at Hillsboro, Oregon, was first elected to that position in 1896, over W. H. Vanderburg, by a very narrow margin, succeeding Hon. Binger Hermann. He has since been three times re-elected in succession, with steadily increasing majorities. His opponents in the elections of 1898, 1900 and 102, were, respectively, Hon. R. M. Veatch, of Cottages Grove; Dr. Barnard Daly, of Lakeview, and Hon. J. K. Weatherford, of Albany. Mr. Tongue was born in England on June 23. 1848. His sudden death is a painful shock to his co nstituents, and causes a vacancy which can only be filled by a spec ial election, to be called by the governor. His wife and family are at their home at Hillsboro, and the body will doubtless be brought there for interment. He had a full term of two years yet to serve, after March 4, 1903.

Cleveland, Jan. 13.—The Washington correspondent of the Leader telegraphs that paper tonight as follows:

The place on the Supreme bench that was tendered to and declined by Governor Taft, of the Philippine Islands, has been offered to William R. Day, of Canton, O., and it is understood that Mr. Day will accept the appointment. Mr. Day is now United States Circuit Judge for the Sixth District.

As the result of a conference between leaders of the two houses, Congress will pass a bill suspending the import duty on coal.

The bill will provide for the admission free of coal for 90 days; also for reciprocity in free coal with countries which admit American coal free. This is meant to admit Canadian coal.

The Los Angeles Express says; Santa Fe and Southern Pacific interests have clashed the result of a desire on the part of each system to outwit the other in reaching Humboldt Bay.

DISCOURAGED

The expression occurs so many times in letters from sick women to Dr. Pierce; "I was completely discouraged." And there is always good reason for the discouragement. Years of suffering. Doctor after doctor tried in vain. Medicines doing no lasting good. It is no wonder that the woman feels discouraged. Thousands of these weak and sick women have found health and courage regained as the result of the use of Doctor Pierce's Favorite Prescription. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"In the year 1899 I was taken sick," writes Mrs. Edna Crowder, of Ripley, Lauderdale Co., Tenn. "My limbs ached, had severe pains in back and lower part of bowels, with difficulty in urination, and smarting and burning pain after. I tried many kinds of medicine and four of the best doctors in the country, until I gave up all hope of recovery. In January, 1901, I wrote to Dr. R. V. Pierce, of Buffalo, N. Y., and received from him a letter, telling me to try his medicines. I took eleven bottles, six of 'Favorite Prescription,' five of 'Golden Medical Discovery,' one vial of 'Pellets,' and used one box of 'Lotion Tablets' and one of 'Healing Suppositories,' and am now able to work at anything I want to. Thanks to you for your valuable medicine and kind advice."

Weak and sick women are invited to consult Dr. R. V. Pierce, by letter, *free*. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Many newspapers have lately given currency to reports by irresponsible parties to the effect that

THE NEW HOME SEWING MACHINE CO

had entered a trust or combination; we wish to assure the public that there is *no truth* in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our *"New Home"* machine has never been rivaled as a family machine.—It stands at the head of all *High Grade* sewing machines, and stands on its own merits.

The "New Home" is the only really HIGH GRADE Sewing Machine on the market.

It is not necessary for us to enter into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merits. Do not be deceived, when you want a sewing machine don't send your money away from home; call on a *"New Home" Dealer*, he can sell you a better machine for less than you can purchase elsewhere.
