London, July 15.—At a meeting of the executive committee of the Pilgrim's Club to night a committee was appointed to give effect to the recent suggestion to erect a statue to George Washington in London. Archdeacon Sinclair announced that he was willing to offer a place for the statue in St. Paul's Cathedral.

The recent marriage of a couple of cripples each having only half the proper complement of arms and legs, was noted by the press as a "curiousity." But who notes the marriages which occur daily in which both parties are cripples in health.
Crippled health means, as a rule, insufficient nutrition, and lack of nutrition points to disease of the stomach and digestive and nutritive tract. Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect nourishment of the body, and so builds it up in sound health and strength.
"I had been a great sufferer from indigestion for the last five years," writes Mrs. Margaret Gimple, of Chicago, Ill., Baltimore Co., Md. "I was such a weak & feeble creature that I could not do any work, and I felt like another woman. I have received much and lasting good from Dr. Pierce's Golden Medical Discovery and I feel like a new man. I have taken twenty-five bottles in all, and follow the advice of Dr. E. V. Pierce, and am happy to say that life is worth living now. A thousand thanks for your treatment."
Do not be misled into trading a substance for a shadow. Any substance offered as "just as good" as "Golden Medical Discovery" is a shadow of that medicine. There are cures behind every claim made for the "Discovery."
The Common Sense Medical Adviser, 7008 large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps to pay expense of mailing only. Address Dr. A. V. Pierce, Buffalo, N. Y.

NOT IN ANY TRUST
Many newspapers have lately given currency to reports by irresponsible parties to the effect that the "New Home Sewing Machine Co." had entered a trust or combination; we wish to assure the public that there is no truth in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our "New Home" machine has never been rivalled as a family machine—it stands at the head of all High Grade sewing machines, and stands on its own merits.
The "New Home" is the only really High Grade Sewing Machine on the market.
It is not necessary for us to enter into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merits. Do not be deceived, when you want a sewing machine don't send your money away from home; call on a "New Home" Dealer, he can sell you a better machine for less than you can purchase elsewhere. If there is no dealer near you, write direct to us.
