THE PROFESSOR OF TO-DAY. Traditional Marks of Scholarship Are Not Noticeable in His Appearance.

The tradition, fostered largely by its timber or stone than for agriculcontemporary comic literature, that tural purposes, and to establish her men of one profession or trade gathered in convention infallibly exhibit the sign-manual of their occupation, would have been highly difficult of would have been highly difficult of would have been highly difficult of application in the case of the American Modern Language association, which held its meetings at Columbia butt and H. A. Guerin, of Eckley, Oreuniversity recently. Professors and gor instructors from colleges all over the instructors from colleges all over the country make up the principal membership of the organization. The conrequested to file their claims in this vention was homogeneous in type; all the members were scholars and Sept. 1903 followers of the world's literature. Hardly could any other convention have brought together a body of men Timber Land, Act June 3, 1878whose lines of thought and habits of

life in general were more similar. Yet to the eye of the layman there was nothing in their appearance to indicate in the slightest degree their trained athlete.

In the matter of clothing the majority of the men were unmistakably modish, though the prevalent start. ling waistcoat and flamboyant necktie were notably absent, and in this sartorial respect the out-of-town pundits were in no wise inferior to their metropolitan brethren. Bald heads were few; eyeglasses not in greater proportion than with the general public of the brain working classes. When the men spoke they spoke simply, sharply and briefly, with an occasional flash of wit or stroke of satire.

The old-fashioned professional pro-

fessor was scantily represented. Perhaps half a dozen of the older men Like the running brook, the were of this type, and these pro-red blood that flows through claimed themselves to the eye and ear alike Their speech was measured, dignified and academic. In marked contrast was one of the notable fig-The springs of red blood are ures of the convention, a young man of high standing as a scholar, who looked like the dishevelled outcropcussion convincing judgment and sound sense, together with a fervor and the little group of old-timers an eager and voluble little elderly member with a pronounced accent; a slow blithe young conversationalist who hit out right and left and made all sorts the list of eccentrics is completed. The remainder of the convention was

in no sense professionally typical. The same cannot be said of the women members, who, with very few exceptions, were distinctively of the the sterner sex, if the truth must be told, spent half their time foregathering and gossiping in the lobby .- N.

Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathardic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day to banish pimples, bolis, biotches, blackhead, and that sickly bilious complexion by taking Cascarets,—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c.
