Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with water and let it stand twenty-four hours. A sediment or milky deposit indicates an unhealthy condition of the kidneys; if it stains your floor it is evidence of kidney trouble; too frequent desire to pass it or pain in the back, the side, or head, are also indications of kidney trouble. It is a sure proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge that Dr. Kilmor's Swamp-Root is the great kidney remedy. It is a natural, healthy, and safe remedy for all kidney troubles, such as rheumatism, backache, bladder and every part of the urinary passage. It cures inability to hold water and burning pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The medicinal effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c and \$1.00 sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, if you address Dr. Kilmor & Co., Birmingham, N. Y. When writing mention reading this generous offer in this paper.
