### Town and County.

Rev. George H. Roach of Ban-  
don, held Services in Dairyville last  
Sunday.

Will Caughell arrived here Sun-  
day, and left next morning for  
the north.

Just received at Neilsen's a full  
line of Ladies and Gents rubbers  
which will be sold cheap.

Dr. Elgin was in town Monday  
night, and made the TRIBUNE a  
business call. The Doctor is look-  
ing well.

Dr. Mann attended the meeting  
of the State Medical Association at  
Portland, and returned to Dairy-  
ville last week.

H. T. Stewart left Port Orford  
Friday morning on a business trip  
through Northern Curry in the in-  
terest of this paper.

Steve Merrill is busy getting out  
material for his house, and as he is  
a carpenter, he will have one that  
will be comfortable.

We are glad to learn that Prof.  
W. S. Guerin is enjoying better  
health than for many years, and we  
hope for his complete recovery.

Hoffess is getting his machinery  
ready to commence work on his  
road contract as soon as possible,  
and will make the dirt fly when he  
gets at it.

Clint Malehorn, with his fine six-  
horse team is almost kept busy,  
hauling freight from Bandon for the  
stores at Dairyville, where Rackleff  
is doing a big business.

Blue Prints of Township maps  
showing all vacant lands, 50 cents  
each. For reliable information con-  
cerning Government land, write to  
Frank E. Alley, Abstractor, Roseburg,  
Oregon.

Political talk at Port Orford has  
not warmed up as yet, but it is said  
to be quite warm in Northern Curry,  
where Bishell blew the coals into a  
blaze on his last visit.

Bowman the Dairyville black-  
smith was made happy January  
20th, by the arrival of a little  
daughter to cheer his house, to in-  
crease, but lighten his cares.

Don't fail to read the "Ad" of  
Bowman, the Dairyville Blacksmith,  
which appears in this paper. If  
you want good work at reasonable  
rates, his is the place to go.

The Columbia Life & Trust Co.,  
of Portland, has appointed W. A.  
Wood of this place their agent for  
Curry county. This is one of the  
oldest companies on the coast and  
should do a good business here.

Walter Miller was in town Sat-  
urday night, with Clarence Wood-  
ward, and of course took to the show.  
He is building a good lumber house  
on his homestead near Walter  
Sutton's and will soon have it  
completed.

Our old friend J. P. Russell is  
out on his farm "Grangering" where  
he has one eye on the stock and  
crops, and the other on the coming  
political campaign. A fight for  
office in Curry would be a tame af-  
fair without his "fine Italian hand"  
and he generally lands the right  
man.

The cards of Charles Wakeman  
and Geo. W. Smith appear in this  
issue of the Tribune, as rival candi-  
dates for the Republican Nomina-  
tion for County Clerk. Mr. Wake-  
man is a good Penman, well qual-  
ified in every way. Smith has pro-  
ven his qualification by years of ef-  
ficient service. We will have a  
good Clerk, whichever win.

Charles Crew, our most noted  
Otter Hunter shot a large Sea Otter,  
near Cape Blanco last week, the skin  
measuring over 7 feet and is worth  
a pile of money. No hunter's trophy  
equals a Sea Otter, and the  
thrill of getting one by a good shot  
is the acme of a hunter's exaltation,  
which even Roosevelt has not  
yet felt.

John H. Wilkinson one of the  
oldest of Curry County Pioneers,  
died at Knapp's in Port Orford on  
Wednesday January 22nd, 1908,  
age nearly 86 years. He was born  
in Henry, Echo County, Virginia  
March 1st 1822, and came to Curry  
County, in February 1854, where  
he resided continuously excepting a  
few years near Myrtle Point in Coos  
County. He was in the Rogue  
River War, and was, we believe in  
the fort at the mouth of the  
river while it was occupied. He  
has no known relatives on this  
coast, and leaves no estate. He was  
buried Thursday in the Port Orford  
Cemetery.

Mr. Herring of Alameda Calif.  
left here yesterday's stage for  
Gold Beach, having made the  
TRIBUNE family a pleasant call.

Fred Post of Bandon, and John  
Haagensen and George Guerin of  
Dairyville attended the show and  
dance here Saturday night.

Mart Sierrard drove up the coast  
Saturday with a load of fine, hot  
pork, which will sell like "hot  
cakes" to those acquainted with  
meat.

The gale on Sunday the 19th  
reached a velocity of 84 miles at the  
mouth of the Columbia river, and  
was perhaps about half that at  
Port Orford.

John Deadmond having spent a  
week or so at Marshfield, returned  
to his cozy home on Port Orford  
Lake last Saturday. He returns in  
better health.

David McKenzie and his sister  
Florence have returned from their  
visit to Coos Bay, and attended the  
meeting of the Woodmen Saturday  
night, and also the show.

Geo. Fitzhugh was in town  
Thursday on business, and dropped  
in our sanctum for a social chat, in  
which his wit always sparkles and  
his reminiscences are interesting.

Doctor Glanville conducted the  
funeral ceremony at the burial of  
John Wilkinson, in a most im-  
pressive manner, and delivered a  
feeling, and most appropriate  
address.

Mrs. F. A. Stewart and her  
daughter, Mrs. Ruby Kraatz of  
Portland, went down to Gold Beach  
yesterday and will spend a few days  
with Mrs. E. A. Bailey a sister of  
Mrs. Stewart's.

Mr. Langworthy and his son Cal  
were in town Saturday night, on  
their way to Coos, both having been  
down on their homesteads on the  
head waters of Greg's creek. Mrs.  
Langworthy will soon be down to  
reside on the place.

Anna Fromm left by Monday's  
stage for San Francisco, via Coos  
Bay, where she will take a steamer.  
She will spend a few weeks,  
visiting her friends in, and near the  
city. We wish her a pleasant trip  
and a safe return.

Knapp's hotel has been literally  
over run of late. If it empties one  
day it fills the next, and one won-  
ders where they come from, and  
where they go to. If he doesn't  
build soon he will have to lodge  
them in the hay-mow next summer.

There was a large attendance at  
the Woodmen's meeting Saturday  
night, among them being John  
Fromm and wife from Brushes  
creek, and their daughter Anna.  
Miss Magnolia White also came  
up with them. They all took in  
the Hoyt show.

If you want to rusticate where  
rustics actually work and do things,  
just pack your grip for Dairyville,  
and go out among the industrious  
Dairymen, and land-makers of that  
rich and beautiful section. There  
is much that is beautiful, as well as  
useful to be enjoyed and learned.  
As Smith River Valley is a gem in  
North-western California, so the  
Floras Creek Country is an equal  
gem in South western Oregon.

**A Woman's Back**  
Has many aches and pains caused by  
weakness and falling, or other displace-  
ment, of the pelvic organs. Other symp-  
toms of female weakness are frequent  
headache, dizziness, imaginary specks or  
dark spots floating before the eyes, gnaw-  
ing sensation in stomach, dragging or  
bearing down in lower abdominal or pelvic  
region, disagreeable drains from pelvic  
organs, faint spells with general weakness.

If any considerable number of the above  
symptoms are present there is no remedy  
that will give quicker relief or a more per-  
manent cure than Dr. Pierce's Favorite  
Pills. It has a record of over forty  
years of curing the most obstinate  
cases of female weakness and other pelvic  
troubles. It is a simple, safe, and reliable  
remedy, and is made of pure vegetable  
roots found in our forests and con-  
tains not a drop of alcohol or harmful, or  
habit-forming drugs. Its ingredients are  
all printed on the bottle-wrapper and at-  
tested under oath as correct.

Every ingredient entering into "Fav-  
orite Prescription" has the written ap-  
provement of the most eminent medical  
writers of all the several schools of prac-  
tice—more valuable than any amount of  
non-professional testimonials—though the  
latter are not lacking, having been con-  
tributed voluntarily by grateful patients  
in numbers to exceed the extent for the  
cure of woman's ills.

You cannot afford to accept any medicine  
of unknown composition as a substitute  
for this well proven remedy or know  
concealment, even though the dealer may  
make a little more profit thereby. Your  
interest in regaining health is paramount  
to any selfish interest of his and it is an  
assault to your intelligence for him to try  
to palm off upon you a substitute. You  
know what you want and it is his busi-  
ness to supply the article called for.  
Dr. Pierce's Pleasant Pellets are the  
original "Little Liver Pills" first put up  
by old Dr. Pierce over forty years ago,  
which imitation has never equaled. Little  
sugar-coated granules—easy to take as  
candy.

### We Hear of More Cures

Of troubles originating in impure blood,  
scrofula, loss of appetite, catarrh, rheuma-  
tism, by Hood's Sarsaparilla than by all other  
so-called remedies combined. Somehow  
those cured by Hood's seem to stay cured,  
and they gladly tell the good news to others.

**Scrofula Sore**—"My wife had a scrofula  
sore on her leg for years. Many differ-  
ent medicines gave but little benefit. She  
turned to Hood's Sarsaparilla and the sore  
quickly healed. It is a good blood medicine."  
J. N. DART, Crosby, Texas.

**Afflicted 16 Years**—"Hood's Sarsapa-  
rilla has cured me of scrofula, with which I  
have been troubled 16 years, and caused by  
vaccination. My little daughter had a  
scrofula swelling on her neck and Hood's  
Sarsaparilla also cured her." Mrs. SONA  
HUNTER, Hughes, Tennessee.

Hood's Sarsaparilla is sold everywhere.  
In the usual liquid, or in tablet form called  
**Sarsatabs**. 100 Doses One Dollar. Pre-  
pared only by C. I. Hood Co., Lowell, Mass.

H. T. Stewart left here yesterday  
morning for Rogue river, and ex-  
pects to go up the river as far as  
Big Bend.

James Taggart of Del Norte  
County, Calif. a Pioneer, and Veteran  
of Rogue River Indian War of 1865  
and 6, died January 17th at the  
venerable age of 85 years, leaving  
a wife and four sons and four  
daughters to mourn his loss.

R. W. Davis representing J. A.  
Folger & Co. and E. B. Morris re-  
presenting Dunham Carrigan and  
Hayden Co. of S. F. were in Port  
Orford Thursday night, and left  
next morning by stage for Bandon.

Both these young men represent a  
high type of Drummers, who are  
gentlemen at all times, and whom  
it is a pleasure to meet.

The regular examination of  
Teachers will be held at Port  
Orford Feb. 12 and 14 1908.

Ames S. Johnston  
Supt.

### Coos Bay News.

During the year 1907, County  
Clerk Watson issued 149 licenses to  
wed. It is doubtful if Leap year  
will beat it.

The Flanagan & Bennett bank  
building is about completed on the  
outside, and the interior will soon  
be finished. It is a handsome  
structure, and is decidedly a credit  
to the town.

The Union meat market receives  
several prime beef steers from Port-  
land every week. The meat has  
been arriving in splendid condition  
and proves highly satisfactory to  
customers who like fat, stall fed  
beef, juicy and tender.

A big fleet of steam schooners are  
tied up in San Francisco because of  
the poor demand for lumber carri-  
ers. The demand for lumber in  
California has fallen off until now  
there is hardly enough to keep the  
vessels owned by the mills in  
commission.

Sunday was as perfect a day as  
was ever experienced, bright sun-  
shines, no wind, and temperature  
just right, and every body was out  
of doors most of the day. As if to  
honor the day there were more gates  
on Agate Beach than at any other  
time this winter and crowds were  
there gathering them by the whole-  
sale. It is thought that a half  
bushel was gathered, and many  
rare ones were found. The Hoyt's  
were there, and will have scores of  
them to carry away and help ad-  
vertise the finest, and most scenic  
beach in Oregon, as well as the most  
western one, just South of Cape  
Blanco.

### Wilson-Ormiston.

Sunday afternoon of this week,  
at 2 o'clock, Mr. Wade H. Wilson  
of this city and Miss Agnes Ormiston,  
recently of Medford, Oregon,  
were united in marriage, the Su-  
perior Judge of Del Norte county  
officiating. The ceremony took  
place at the residence of the Judge,  
after which a wedding lunch was  
served by Mrs. Childs. Mr. Wilson  
has been in Del Norte county most  
of the time during the past eight  
years and has been with the News  
all the time of his residence here  
and we therefore have more than  
our ordinary interest in the contract.

Miss Ormiston has also been in  
the printing business and is now  
assisting in the News office. We  
wish them all the happiness of a  
long and prosperous married life  
—Crescent City News.

Mr. Wilson was raised and edu-  
cated in Curry county, and learned the  
"art preservative" in the Tribune  
office. He has a host of friends  
here, who wish him and his bride a  
long and happy voyage on the  
matrimonial sea.

The Hoyt show here Saturday  
night was attended by a good sized  
audience which showed its appre-  
ciation by enthusiastic applause,  
and side-splitting laughter at Hoyt's  
funny spoutue. Hoyt's slack wire  
performance, and tricks in leg-  
demean were of the very highest  
class, while Mrs. Hoyt's shooting  
was marvelous, her feats with the  
rifle ending by shooting a cigar from  
her husband's mouth. The gorge-  
ous Butterfly dance performed by  
Mrs. Hoyt while balancing on a  
globe was very beautiful, and was  
worth the price of admission.

Good audiences greeted them  
the other nights, and the general  
verdict is, that the two Hoyt's have  
given us the highest class, and most  
meritorious show that has ever  
been in this county. They return-  
ed north Wednesday and will give  
three nights at Dairyville.

Misses Violet White and Katie  
Fromm who have been visiting  
relatives and friends near San Fran-  
cisco, returned home yesterday,  
having had a splendid time.

### For Lung Troubles

Ayer's Cherry Pectoral cer-  
tainly cures coughs, colds,  
bronchitis, consumption. And  
it certainly strengthens weak  
throats and weak lungs.  
There can be no mistake about  
this. You know it is true. And  
your own doctor will say so.

The best kind of a testimonial—  
"Sold for over sixty years."  
Made by C. Ayer Co., Lowell, Mass.  
Also manufacturer of  
SARSAPARILLA,  
PILLS,  
HAIR VIGOR.

We have no secret. We publish  
the formula of all our medicines.  
Keep the bowels regular with Ayer's  
Pills and thus hasten recovery.

### Harbor Items.

Editor Tribune:—After an elapse  
of two months I will endeavor to  
send you a few items to your popular  
paper.

News is not so plentiful in this  
section as rain, owing to the con-  
tinuous wind that has predominated  
for the past two months. It has  
blown the most of the news so far  
north that it will never return.

The dance given at Harbor on the  
14th inst, under the auspices of the  
Woodmen Of The World was  
well attended, dancing commenced  
at half past five o'clock and contin-  
ued until twelve, when a delicious  
supper was served by Mrs. W. C.  
Lake. After supper dancing was  
resumed and continued until day  
light.

G. S. Wilson of the Ocean View  
ranch who had the misfortune to  
have his house and its contents  
consumed by fire on the 6th of last  
month and has been staying tem-  
porarily in Mrs. H. G. Blake's house  
has moved back on his ranch.

I wonder if that certain young  
man that lost his partner at the  
dance has ever found her yet.

K. Dodge, our worthy Justice of  
the Peace has taken up his abode  
at the Crosby residence where he  
is prepared to do all kinds of  
bauling.

Samuel Gordon of Smith River,  
has sold his valuable ranch at Smith  
River, consideration being \$6,000,  
H. Scott being the purchaser.

The Jordan boys have leased the  
valuable dairy ranch of John White  
on Windyhook for a period of 5 years.

H. Hayene who is now wifeless  
contemplates taking a trip to old  
Missouri, where he says women are  
more numerous than the leaves  
on the trees. Ad is a rustler.

### TIMBER LAND ACT JUNE 3, 1878.— Notice for Publication

United States Land Office,  
Roseburg, Oregon, Nov. 7th, 1907.  
Notice is hereby given, that in com-  
pliance with the provisions of the Act  
of Congress of June 3, 1878, entitled  
"An Act for the sale of Timber Lands  
in the States of California, Oregon, Ne-  
vada and Washington Territory," as  
extended to all Public Land States by  
act of August 4, 1892,

Ona L. WATSON  
of Satsop, County of Chehalis, State of  
Washington, filed in this office on De-  
cember 24, 1906, his sworn statement No  
8587 for the purchase of the NE $\frac{1}{4}$  of  
Section No. 32 in Township No. 31 South  
of Range No. 14 West W. M. Ore., and  
will offer proof to show that the land  
sought is more valuable for its timber or  
stone than for its agricultural pur-  
poses, and to establish his claim to said  
land before the Register and Receiver  
of this office, at Roseburg, Oregon, on  
Saturday the 8th day of February, 1908.  
He names as witnesses:  
Clark D Smith, Satsop, Wash.  
John P Wood,
