HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhœa and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendeane, Ky., Feb. 10, 1901.

I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fleshier than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. MRS. RICHARD JONES.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & Co., Toledo, O

The New Model No 24 Marlin Repeating Shotgun

This new 6-shot model is the simplest, surest, and fastest 12-gauge repeater made.

It has the solid top, side ejection and double extractors—special Marlin features of comfort and convenience. The closed-in breech keeps the action clean and the shells dry—keeps out rain, snow, dirt, leaves twigs and sand.

The new take-down construction allows you to take gun apart in ten seconds for cleaning or packing, yet the joint is always as firm and rigid as in a solid frame, non-take-down gun. The fat forearm fits your hand and helps quick operation.

The full choked guns are guaranteed close-shooting, hard-hitting guns, and are unequalled for ducks, geese, foxes and all long-range work.

A circular giving large illustration, with full description of this handsome new gun, sent free on request or with complete 136-page catalog for 3 stamps.
