

TRUE HEROISM

Allies Still Driving Huns.

This interest is at the rate of 4 1/2 per cent on the deferred payments from May 9th to the date of the various installment payments. The bonds bear interest on the entire sum at the rate of 4 1/2 per cent from May 9th, and you are simply paying the government on those sums which have not yet been paid. In other words you pay the government interest on the sums you did not pay them to receive back the money, together with interest at 4 1/2 per cent on the payments made by you, at the date of the first semi-annual interest payment date.

The important section of the bill permits the president to direct the call of new increments from within ages specified by him, so while all from 18 to 45 will be registered, the president may elect at first to call only those from 19 to 21, to 36 or such other ages as under the situation are required. Men will all be called from class 1 and it is unlikely that men over 31 will be sent to the firing line, but they will be used extensively to relieve younger men in employments back of the line.
