### SHOWS UP A TOWN

A newspaper is an index of  
the character of the town or city  
in which it is located. If the pa-  
per is bright and newsy, well  
filled with advertisements of the  
merchants, a stranger looking at  
the paper will come to the con-  
clusion that that place is a live  
one, and a good town to locate  
in. The Redmond papers show  
that Redmond is up and doing all  
the time, and that is one of the  
reasons why the city is growing  
and getting a reputation outside  
for being the best city with the  
brightest future of any town in  
Central Oregon.

### IS A GOOD ADVERTISEMENT

A good band is one of the best  
advertisements any town or city  
can have. Redmond musicians  
are about to organize a band of  
16 to 20 members, and the pros-  
pect is that this band will become  
in a short time, the best musical  
organization in Central Oregon.  
The citizens of Redmond should  
give substantial encouragement  
to the band in its organization  
efforts and help them all they  
can.

The members of a band are al-  
ways at an expense, besides con-  
tributing their time, and the bulk  
of their music is furnished free  
to the public in giving open air  
concerts etc. The band wants to  
buy a first class set of new in-  
struments, and that will cost  
money, but with the help of all  
the people the expense can be  
met, and a creditable organiza-  
tion perfected here.

There are a number of experi-  
enced musicians in the city who  
play a good grade of music, and  
as soon as the instruments can  
be secured Redmond will be fa-  
vored with a series of open air  
concerts.

Several efforts have been made  
in the past to organize a band in  
Redmond, but this time, if the  
proper encouragement is given,  
the project will be carried to a  
successful termination.

### FARM PROPERTY VALUES

The sale of the T. M. Mander-  
scheid ranch last week for \$5000  
shows that ranch and farm prop-  
erty in the Redmond District is  
getting valuable. Here was a 40  
acre ranch that sold for \$125 per  
acre. The man who bought it  
was an experienced man in land  
values, and he did not consider  
\$5000 too high a price for him to  
pay, realizing that the land was  
worth it. Improved land in the  
Redmond District is as good as  
gold.

improvements in his newspaper  
plant, and states he may soon  
issue a daily or a semi-weekly  
paper. This is an indication that  
Redmond is a progressive town.

Redmond business men are  
never asleep at the switch when  
it comes to doing things to pro-  
mote the interest and growth of  
their city.

One of the important meas-  
ures the Redmond city council  
should consider at an early date  
is the establishing of a street  
grade. If this is done all new  
buildings and sidewalks can be  
made to conform to the grade  
and present a uniform base line.
