

## Put Your Crops in the Bank

Summer time is the farmer's work time. He is gathering in what must keep him the whole year through. In order to tide him over the winter and spring, what he takes in now, must be stored some where. Where can he store it better than in our bank? Not only is your money safe with us, but by keeping an account, you get acquainted with business principles and business men. Try it and see. We are always glad to see you at this bank.
