

# HON. A. W. LAFFERTY

Republican Direct Primary Candidate

## FOR CONGRESS

"For the return of \$5,360,000 due the state for irrigation."  
 "Preserving forever the 15,000,000 acres of forest reserves in Oregon, constituting one fourth of the area of the state, but providing that the profits arising from the sale of ripe timber and grazing privileges shall go into the state treasury, and providing for local management of these lands by a state board of forestry under a trust arrangement with the nation, not giving the state any power to ever sell an acre of the lands."

"Opening the Columbia river as far north as Nelson, B. C. and building the north jetty at Astoria."  
 "For creating a land court for each western state, to the end that greater liberality and fairness shall be shown homesteaders."  
 "For opening to settlement the 8,000,000 acres of agricultural land in Oregon now withdrawn from homestead entry."  
 "Guaranteeing the sale of the Oregon & California R. R. lands to actual settlers, according to the terms of the grant."

Stands on a platform of Progressive Republicanism, which means that special privileges, now enjoyed by trusts and monopolies, must be cut out, and that maximum rates to be charged by public service corporations, exercising monopolies, must be fixed by law, based upon fair physical valuations.
