

## Put Your Crops in the Bank

Summer time is the farmer's work time. He is gathering in what must keep him the whole year through. In order to tide him over the winter and spring, what he takes in now, must be stored some where.

Where can he store it better than in our bank? Not only is your money safe with us, but by keeping an account, you get acquainted with business principles and business men. Try it and see. We are always glad to see you at this bank.

### RIGHT TIME TO DO YOUR ADVERTISING

A Few Solid Hunks of Advice on This Important Subject

There is nothing on earth so mysteriously strange in its scope as a newspaper advertisement. The prime, first, last, and all the time object of an advertisement is to draw custom. It is not, was not and never will be designed for any other purpose.

Some merchants wait until the busy season comes and their stores are so full of customers that the merchant can't get his hat off, and then he rushes to the newspaper and puts in his advertisement.

When the dull season comes along and there is no trade and he wants to sell so bad he can't pay his rent, he takes out his advertisement. That is, some of them do. But occasionally a level-headed merchant puts in a bigger advertisement and scoops in all the business while his neighbors are making mortgages to pay the gas bill.

There are times when you couldn't stop people from buying everything in the store if you planted a cannon behind the door, and that's the time the advertisement is sent out on its holy mission. It makes light work for the ad, for a chalk sign on the sidewalk would do all that was needed, and have a half a holiday six days in the week.

But who wants to favor an advertisement? They are built to do hard work, and should be sent out in dull days when a customer has to be knocked down with hard facts and kicked insensible with bankrupt reductions and dragged in with irresistible slaughter of prices before he will spend a cent.

Write this down where you will fall over it every day:

The time to draw business is when you want business, and not when you have more business than you can attend to already.

If you love your wife buy her a silver present for Christmas at Kendall & Chapman's.

County Judge Ellis was over from Bend Tuesday for a few hours. The judge expressed himself as surprised at the rapid growth of Redmond in the past three months.

My stock of Furniture and Groceries was never more complete. Fine prices only \$2.00 per box. at Woodruff's

O. C. Young, the Culver real estate man, passed through here Tuesday on his way to Sisters.
