The following committee was appointed to visit Baptists and those wishing to work with them: Mrs. McCabe, Mrs. Benton, Mrs. Gates, Miss Jones and Miss Linnelle. Ladies wishing to be identified with the Baptist cause will kindly report to any member of this committee, or if reported by others will be cordially welcomed.

Will Eat It

Limburger cheese laid away in cupboards and refrigerators will drive ants away. No doubt of it. It will drive a hog out of a tan-yard; it will drive a spike in a brick; it will drive a tramp away from a meal of victuals; it will drive a mule through a barbed wire fence; it will drive a herd of cattle over a precipice; it will drive a negro away from a chicken roost or a man to insanity who stays five minutes within ten feet of its unsavory presence. And yet some men will sit up and eat the stuff and profess to like it.

Mrs. Landes entertained the Mission Circle of the Baptist Church last Thursday. The January meeting will meet with Mrs. Muma.

TO INSTITUTE A NEW ORDER HERE

The Fraternal Brotherhood of Los Angeles, Cal., by its deputy H. F. DeSouza, will institute a lodge here within the next two or three weeks. Mr. DeSouza is a citizen of Redmond, and already has over two thirds of the required number for a charter, and hopes to have many more, by the time he is ready to institute the order.

The Fraternal Brotherhood issues a combination policy to its members of both accident and life. It pays in four ways—temporary disability, total permanent disability, old age, and at death.

The social features of this order are one of the best in the United States, and that is one reason that the order has gained such a large membership, combining as it does, the accident, death and beneficiary benefits. The rates in this organization are payable monthly and are reasonable, members being assessed according to age and benefits derived.

This order, in line with other beneficial orders, has ample funds to meet all obligations. The Fraternal Brotherhood is an organization well known in all states west of the Mississippi River. The headquarters of the organization is at Portland, and Oregon people are joining this order, recognizing that it is one of the best fraternal orders, with the benefits as specified above, that has so far been instituted.

A sufficient number of charter members have been secured to institute this lodge, and Mr. DeSouza, the organizer, would like to have all who are desirous of joining the organization, notify him of their intention, within the next ten days.
