## THE DEESTRICK SKULE DRAWS

Laughable Play Tuesday  
Night Entertains a  
Large Crowd

CHARACTERS ARE  
WELL SUSTAINED

A Nice Sum Realized From  
the Event by the  
Promoters

"The Deestrick Skule" that was presented at Anker's hall Tuesday evening under the direction of Division No. 1 of the Presbyterian Ladies Society of this city, was one of the most amusing and entertaining events ever held in Redmond. The audience that gathered expecting to see some fun was fully repaid, for the mirth provoking situations in the play kept the people on a broad grin from the beginning until the curtain dropped on the finale.

The cast of characters was a strong one and showed that all the players had given their parts attentive study, and both the promoters and those who took part in the play are to be congratulated on the successful manner in which the event was given to the public. Some of the principal characters deserve special mention for the meritorious way in which they interpreted their parts.

E. C. Park as the schoolmaster, sustained his part well, and Mr. Ridenhour as Hinglisher carried the character through acceptably. J. P. Doherty as the Smart Aleck was there with the goods, and M. A. Lynch and A. J. Haney as the Honeysuckle Twins caught the audience from the start. J. R. Roberts as Little Buddy, was a whole show in himself, and Bennie McCaffery as Micheal O'Flinn, and L. A. Hunt as Timothy Truck were right there with bells on. The ladies in the cast all did exceedingly well, and Mrs. Norwood and Mrs. Oaks as the Honeysuckle Twins delighted the audience.

### Heavy Traffic on Oregon Trunk

The freight traffic on the Oregon Trunk Line between Moody and Metolius is so heavy that 18 locomotives and a large number of freight cars are employed. The traffic consists of construction and merchandise material and it keeps the train crews on the jump to take care of the business.

### New Freight Line Established

S. R. Snider of this city, has established a freight line between Redmond, Shaniko and Metolius. He will give prompt attention to all orders for hauling freight into this city from either of these points, and will make the right prices. Mr. Snider's line also takes out freight for Metolius, Shaniko, or any other part of this section of the state. He will make a specialty of quick service.

## THE READING CIRCLE OUTLINES NEW PLANS

The Juniper Reading Circle met March 22 with Mrs. Josephine D. Redmond. A course of reading for the coming year was discussed, and it was decided to take Japan as the principal topic and to supplement this work by book reviews. The Club voted to add enough to the funds of the Library Association to return the present traveling library and to pay the freight on another for the use of the general public and also a club library on Japan. They also wish to make out a list of books to be purchased for the permanent library to be purchased with the proceeds of the library entertainment. If patrons of the public library will leave names of books desired with the librarian they will be considered in making the list.

The program of the afternoon began with an excellent paper written by Mrs. C. R. McLallin. Her subject was "The Fur Traders." This was supplemented by an article from the Oregonian on "John Jacob Astor and his Colony." Next on the program was a brief but illuminating review of "McDonald in Oregon" written by Mrs. H. Hanks and read by Mrs. Stella M. Wilson. This was followed by Mrs. Redmond's paper "To The Northwest with Lewis and Clark" which was listened to with much interest. The club then adjourned to the Oregon Cafe where a dainty luncheon was served by the hostess. The next meeting will be with Mrs. M. E. Landes on Wednesday, April 5.

Through the same source, the dining car superintendent of the Northern Pacific has contracted to purchase all the potatoes that can be supplied by Madras growers, the only conditions being that each spud shall weigh at least two pounds.
