

**"BUSINESS OPPORTUNITIES"
"SNAPS"
AND "EASY MONEY"**

SELDOM PLAY TO ENCORES; but we can tell you this:—Any man who has laid by some READY CASH in a bank account is usually in shape to grasp the GOOD THING when it comes his way. When you see some man taking advantage of an investment opportunity—put it down as a safe proposition that his bank account is back of the transaction.

LOOKING FOR READY MONEY.

You know as well as anyone that opportunity is always looking for READY MONEY. It's the man who commenced to save a year ago, who is prepared to cinch the "good thing" of today. Your opportunity will come. Get ready by starting a bank account here—now.

The Neighborly Spirit

The right spirit has been shown between the towns of Redmond and Hillman by the people of these two places. About fifty people from Redmond went to Hillman last Friday night to witness the play of "Jedediah Judkins, J. P." given there by the Hillman Dramatic Club, and the Hillman people acknowledged the courtesy by coming to Redmond in force Tuesday night to see the Ladies Auxiliary of the Commercial Club put on the play of "Valley Farm". It is such neighborly exchange of courtesies that bring towns closer together and builds up a feeling of closer companionship that it would be a good plan for all towns to adopt.

Shooting in City Limits

There is an ordinance prohibiting the discharge of fire arms within the limits of the city of Redmond, and the same should be enforced. There is too much promiscuous shooting in the outer edges of the city limits. Last Sunday some one was shooting in the southwestern part of Ellinger's Addition near the corner of 10th and A streets, and shot from the shells struck the tent of a family living in that vicinity. All shooting within the city limits should be stopped and then there will be no danger of accidents.

Courtesy and pleasant words do not cost anything, and go a mighty long ways. It is just as easy to greet an acquaintance with a pleasant word when you meet him on the street as it is to grunt out an "ugh" like an Indian, when a "good morning" is tendered you by a friend.

The Spokesman has received a copy of the LaPine Inter-Mountain published at LaPine, formerly Rosland. The paper is neat in appearance, well edited and is a boomer for the town in which it is published.
