ORGANIZATION OF CENTRAL ORE. DEVELOPMENT LEAGUE

Harmonious Two Day's Session Held at Prineville Attended by Members of Numerous Commercial Bodies---Bend Is Chosen Headquarters for Coming Year---Next Meeting Will Be Held at Burns---Great Enthusiasm Prevailed and Meeting Closes With a Big Banquet---Railroad Officials Pleased.

The Central Oregon Development League was organized at Prineville last week with the election of the following officers for the ensuing year:
 President—William Hanley of Burns.
 Vice Presidents—J. W. Brewer of Redmond, and Judge Warden

of Klamath Falls.
 Honorary Vice Presidents—Carl Gray, Wm. McMurray, J. N. Williamson and C. C. Chapman.
 Secretary-Treas.—J. E. Sawhill of Bend.
 Headquarters of League for ensuing year was, on motion of

the Redmond delegation, made at Bend.

Next meeting of the League will be held at Burns.

The meeting, which was held Friday and Saturday, was attended by delegations from the commercial clubs of Madras, Culver, Metolius, Opal City, Hillman, Redmond, Sisters, Laidlaw, Bend, Prineville, Crescent, La Pine, Burns, Lakeview, Paisley, Silver Lake and Klamath Falls. A number of high railroad officials of both the Hill and Harriman systems, Portland business men and members of the state institutions were also present. The Prineville Commercial Club acted as host to the visitors and certainly did itself proud.

The Friday afternoon session was opened with prayer by Rev. John Huggins of Prineville, followed by an address of welcome by Mayor Edwards and W. F. King of the Prineville Commercial Club. Wm. Hanley of Burns, presiding officer, made a talk on the needs of Central Oregon, and

EXHIBITS ARE WANTED NOW

Commercial Club Requests That Farmers Bring Good Samples

A PROPER DISPLAY TO BE GIVEN THEM

Best Exhibits Are to Be Sent to the Different Land Shows

The Redmond Commercial Club through the newspapers desires to give notice to all farmers and ranchers in the Redmond District that it is their desire to secure good samples of grains, grasses, root crops, fruits, etc. grown in this section.

It is requested that the samples be brought to the Commercial Club rooms here, with the name of the product, name of grower and locality grown in properly inscribed on a tag which will be furnished for the purpose.

The club will offer prizes for the best samples of different varieties of all products of the farm, and competition is open to everyone.

An exhibition room will be built at the depot, where all the samples will be shown, attractively arranged and classified, and each grower will be given credit for the samples he has on exhibition.

The prize exhibits of the collection will be sent to the different land shows throughout the country to show the wonderful resources of this section of the state.

It is urged by the Commercial Club that the farmers and ranchers begin making their plans at once for furnishing exhibits so that a creditable showing can be made from this section. Any information that is desired about the gathering and preparing of samples will cheerfully be furnished by the secretary of the Commercial Club.

REDMOND MEN AT PRINEVILLE

The Redmond Commercial Club and business interests of the city were well represented at the Central Oregon Development League meeting at Prineville last Friday and Saturday. The following went over to help bring the organization into existence: Mayor Jones, Councilmen F. M. White, J. F. Hosch, M. A. Lynch, G. W. Wells, City Recorder Phoenix, City Attorney Wilcox, J. W. Brewer, C. N. Ehret, Mr. Fry, H. Hanks, Russell Johnson, Mr. and Mrs. F. T. Redmond, B. A. Kendall, W. C. Walker, H. J. Love, Geo. L. Wheeler, Addison Bennett, H. Palmer, H. K. Warren, Mr. Woodward, John Moore, Lee Zumwalt.

BIG DEPARTMENT STORE

HIGHEST IN QUALITY, LOWEST IN PRICE

TWO EXPERIMENT STATIONS

Executive Board of the Central Oregon Development League to Locate Them in Irrigated and Dry Sections

At the meeting of the Central Oregon Development League at Prineville last week it was decided by the executive board of the League and the railroad officials present to establish two experimental farm stations in the central part of the state. One farm to be located in the best place in the irrigated district, and one in the dry section.

It is the intention to have these experimental stations superintended by an expert from the state experimental station. The proposition is to raise a \$10,000 fund to conduct the experiment stations for two years, and

then have the state take them over. The railroads have signified their willingness to contribute their share, and there is hardly any question but what the commercial associations in Portland and in the League will be there with their part of the money.

As Redmond is situated in the center of the irrigated district of Central Oregon it has been suggested that one of the stations be located near this city. This suggestion is meeting with favor among those who are posted as to conditions in this irrigated district.

Farmers and Ranchers

If you desire to have a creamery established in this district, sign up on the lists at Ehret Bros. and Lynch & Roberts stores the number of cows you will furnish cream from Sept. 1st. Three hundred will have to be secured before the creamery can be started.

There was no celebration at Bend, that city having gracefully given up their plans for a big event and joined with Prineville in twisting the lion's tail.

STATIONERY and OFFICE SUPPLIES

In the above line we can supply your wants. We are putting in a stock of Office Supplies, such as Typewriter Papers and Ribbons, Carbon Papers, etc.
