## State Bank of Redmond

Without the element of chance, no progress could be made in any calling. The farmer would not put in crops for fear the elements and many other enemies of vegetation would destroy them. He would raise no stock because they might die. No one would travel by rail or water for fear of death or maiming by accident, and no one would enter business or manufacture, because loss often occurs; and yet all these chances are taken daily. Yet in the face of these facts thousands of people hoard their money and keep it out of use for fear the bank might "bust".

Those who pursue this policy are enemies of progress, of their neighbors and their country. They are not good citizens in the best sense of the word. Therefore be a gentleman, a good citizen, a progressive man and a public benefactor by coming to the STATE BANK OF REDMOND for all kinds of banking business and the best of treatment.

## COMEDY PLAY FRIDAY NIGHT

"Among the Breakers" to  
Be Given Here by  
Bend Talent

PLAYERS SPOKEN  
VERY HIGHLY OF

Two Hours of Enjoyment Is  
Promised to Those  
Who Attend

The 2-act comedy drama of "Among the Breakers" that is to be presented here tomorrow night by Bend talent promises to be a treat to Redmond theatergoers. The play was recently given in Bend and last night at Prineville a highly appreciative audience witnessed its production.

All those who have seen the play compliment the cast highly for the able manner in which the different parts were sustained. In commenting on the play at Bend the Bulletin of that city said:

"Among the Breakers," given under the auspices of the Royal Neighbors Thursday evening by home talent, was one of the best performances of the kind ever seen in Bend, and all who participated in it are to be congratulated on their splendid work. A large and enthusiastic audience witnessed the play and from all was heard nothing but praise for those who took part."

The play tomorrow night will begin at prompt 8:30.

## METOLIUS HAS ITS FIRST FIRE

Four Business Buildings  
Go Up in Smoke---  
Loss Is \$8,000

Fire at Metolius at 1:30 last Friday morning destroyed four business buildings, entailing a loss of about \$8000 with but \$1000 insurance.

The fire originated in the pool hall owned by Perry Wible and communicated to buildings occupied as pool halls and restaurants, and the building used by John Moore as a garage.

The origin of the fire is a mystery as Mr. Wible's pool hall had been closed for the night. As there is no fire protection at Metolius a bucket brigade was organized but the flames soon got beyond control and burned the row of buildings out. Very little of the contents of the buildings were saved.

Some of the buildings will be rebuilt at once.

## HORSE SALES HERE THE 21ST

Livestock Association Will  
Hold Second Sale on  
Above Date

OWNERS ASKED TO  
LIST STOCK EARLY

Portland Auctioneer Been  
Engaged to Auction  
Off the Stock

The date set for the second sale of horses and stock by the Central Oregon Livestock Association is Monday, August 21, to continue until all of the stock offered for sale is disposed of.

The services of an experienced cattle sales auctioneer of Portland has been secured, and sales will have life in them and move off briskly.

It is expected that this sale will bring out a much larger number of horses and stock to be offered to buyers than the first one did. There were plenty of buyers at the initial sale in July who wanted to make extensive purchases, but a small amount of horses and stock was listed by owners.

The Association urges upon owners the importance of listing their stock early with the secretary so he will be in a position to know approximately what will be offered. In this way he can notify prospective buyers and have them here on day of sale.

A small fee is charged for listing and selling the stock, as it is not the purpose of the Association to make money on the sales but to establish Redmond as a central buying and selling horse and stock market.

City Recorder Phoenix, Councilman White, H. J. Love and F. I. Phoenix left this week for an auto trip into Northern California. On their way they will stop at Crescent, Crater Lake, Lakeview and Klamath Falls. They expect to be gone about 10 days.
