TRAINS HERE BY OCTOBER FIRST

Oregon Trunk Bridge at Crooked River Will Be Completed About the Middle of September, and Chief Engineer Budd Promises That Trains Will Be Running Into Redmond Two Weeks Later---Preparations Being Made for the Two Days' Celebration of "Railroad Day" by the Citizens Here

At last the date has been officially set for the arrival of trains in Redmond over the Oregon Trunk Railroad.

The date set is October first. The Oregon Trunk railroad bridge over Crooked river will be completed about the 10th of September. The key span is expected to be placed in position this week, and several riveting gangs immediately put to work to finish the structure in the least possible time.

The above information was given out by Chief Engineer Budd of the Oregon Trunk road while he was in Redmond last week.

While the date for the opening of the

railroad to this point is officially placed for October 1st, Mr. Budd intimated that if all conditions were favorable the Redmond people might see regular trains running into the city even earlier.

The Oregon Trunk railroad officials will hurry the building of the road from the Crooked river bridge to this point, a distance of only eight miles, as fast as possible in order to take care of the colonist travel from the east that begins September 15th. As Redmond is the objective point of a large number of these colonists the railroad people desire to have the road completed to this point so they can land

UNDESIRABLES ORDERED OUT

City Council Notifies Denizens of Restricted Dist. to Leave

LARGELY SIGNED PETITION THE CAUSE

Local W. C. T. U. Asks the Council That City Be "Cleaned Up"

Last Thursday evening at the council meeting a petition was presented by members of the local W. C. T. U. to that body asking that the undesirables of the city and the residents of the restricted district be ordered to leave the town, and kept from returning. The petition was signed by about 150 business men of the city, and women of the different churches and societies.

The petition was voted on by the council, all members present voting for the measure. Those who voted were Councilmen F. M. White, J. F. Hosh, G. M. Huffman and M. A. Lynch. Councilman G. W. Wells was absent from the city. Councilman F. McCaffery, was in the city but did not attend the council meeting.

Last Friday Policeman Z. T. McClay was ordered by the mayor to enforce the mandate of the council, and he visited the houses in the restricted district and made known the action of the council, ordering the keepers of houses to close up their places, and the inmates to leave the city at once.

Some of the house keepers own their property, or have bought the same on the payment plan, and they were given time to make arrangements to settle up their affairs before leaving town.

Policeman McClay gave the keepers of houses and women inmates notice that if he found them in any way violating the conditions of the order of the council he would arrest them.

People From Medford Coming

Linden Duthie was an arrival last week from Medford. He came to this section looking for land, and is well pleased with what he has seen. He stated that a number of people from his section of the state are coming into this section as soon as the railroad is completed to this point.

B. S. Larkin of Madras, has opened a harness shop here in the building on E street between 6th and 7th streets, formerly occupied by the Pioneer Meat Market. He has placed E. W. Mason, an experienced workman, in charge.

Lynch & Roberts have placed in their store a new clothes rack for displaying men's and boys' clothing on.

RE-OPENING OF HOTEL REDMOND THE FIRST

Dining Room of This Popular Hostelry to Be Thrown Open

Tomorrow, September 1st, the dining room of the Hotel Redmond will be reopened under the management of H. F. Jones. Some time ago the hotel was leased to a man by the name of Parker, and he closed the dining room after conducting the hotel but a short time. Later he left town and forfeited his lease. Since then H. F. Jones has had numerous improvements made in the house, and it is now said the hotel ranks with the best in the state.

The entire house has been renovated and improved, and the walls of the kitchen covered with Sanitas wall covering, making it the best appointed kitchen outside of Portland.

The sleeping accommodations are ample for all demands that will be made upon the house, there being over 40 rooms, all newly furnished. The house is

vacuum cleaned, electric lighted, and supplied with hot and cold baths.

Chief Clerk Alldredge will remain with Mr. Jones and look after the comfort of patrons of the house.

Better Mail Service for Redmond

J. E. Christian, the Prineville-Sisters stage man, has purchased Allen Wilcoxon's seven-passenger Speedwell and has put on an auto service between Prineville and Sisters. This will prove a big convenience to Redmond and way points. The auto leaves here at noon and makes Redmond by 2 o'clock, arriving at Sisters at 4:20. Instead of leaving Sisters at 1 a. m., (the raw-hide special time), the auto will leave at 6 a. m. and arrive in Prineville at 10 o'clock. Mr. Wilcoxon will drive the car until Mr. Christian gets onto the hang of the thing.

U. D. McSherry who has been visiting here with his brother Robert, left Monday for his home in Prescott, Wash., to accept a position in his father's large mercantile establishment.

F. N. McFall of Sisters, was here Tuesday on a business visit.
