

Grain and Vegetable Samples Wanted

Farmers and ranchers of this section are asked to furnish samples of grain and root crops grown on their land, to be used in decorating an Exhibition Float, the Welcome Arch and for exhibit in the Commercial Club rooms on Railroad Day, Saturday, September 30th. It is urged that these samples be brought to the Exhibit Committee of the Commercial Club AT ONCE as the time for making a good showing of products grown in this section is getting short. The idea is to properly represent the resources of this section of the state.

THE READING CIRCLE OPENS SECOND YEAR

Mrs. I. L. Osborne Elected
Prest. to Succeed
Miss Jones

After a vacation of two months the Juniper Reading Circle held its opening meeting for the second year at the home of Mrs. W. Anderson, on Wednesday of last week.

Greetings were read from Miss Laura T. Jones of Pueblo, Colo., one of the founders of the Reading Circle, and its efficient president last year.

Since Miss Jones' change of residence made her withdrawal from the Club necessary, her resignation was acted upon. Mrs. L. I. Osborne will succeed her as president, and Mrs. J. A. Wilcox was elected vice president.

The subjects for the afternoon's discussion were, "The Relation of Japan to other Countries", and "The Legendary History of Japan". Mrs. Osborn read a very interesting paper on the former subject.

A musical program followed, the vocal solos of Mrs. Hobbs and the instrumental music of Mrs. Anderson adding much to the pleasure of the afternoon. Mrs. Norwood assisted Mrs. Anderson in serving refreshments.

On Wednesday, Sept. 27th, Mrs. Osborne will entertain the Circle at the home of Mrs. H. M. Smith.

You are cordially invited to attend the services at the Methodist church Sunday morning and evening. Preaching by the Rev. Dr. Cline. A special musical program will be rendered at both services. Sunday school at 10 a. m.
