solo by Mrs. Lilly was much appreciated, and the quartet singing received a "good hand". The recitations were excellent. What appealed to the audience as a nice piece of stage work was the Maypole Drill, as staged by Mrs. Foote. Hale Ordway "caught the house" with his number, and the jig encore. The entire cast of the farce was good and kept things moving lively on the stage.

PLANTING POTATOES AT POWELL BUTTE

Prineville Journal: A. E. Bussett of Powell Butte, was in for supplies Saturday. Mr. Bussett says that he will begin planting potatoes Monday. Snow and rain he said, had gone right down into the soil and put it in first-class condition for a potato crop. His neighbors, too, he says, are planting on the high ground. He has some to dig from last year's crop, and he will dig and plant at the same time. He has tried the digging and planting before and got good results. It was in the fall and the next year he harvested 60 sacks an acre of fine choice potatoes. Some of his neighbors cut the seed and some do not. He does not, and gets good yields. Potatoes do not rot in the high, sandy soil of Powell Butte.

A GOOD WORKMAN WHO IS APPRECIATIVE

The Spokesman this week put up a gold and black sign outtop of their building. The sign was painted by Geo. Kohl, the well known and popular painter and decorator of Redmond. Mr. Kohl's work always has a distinctiveness about it that speaks for itself, and he never lets a job go out of the shop unless it is strictly o. k. Another thing: Mr. Kohl is an appreciative man, and always remembers those who have favored him, and he tries to return the compliment.

SURPRISED HIM ON HIS 40th BIRTHDAY

M. H. Otis was pleasantly surprised on Monday, January 22d, the occasion being his 40th birthday. The evening was passed with cards and other pastimes, and an enjoyable time was had. Those present were: Mr. and Mrs. Z. T. McClay, Mr. and Mrs. Chas. Beckwith and family, Mr. and Mrs. Kissler and family, Mr. and Mrs. Scott, Mrs. Shea, and Mr. and Mrs. Chas. Kafer and family. A delicious luncheon was served, and at a late hour the guests departed, wishing Mr. Otis many happy returns of the day.

LOOKING FOR LOCATION FOR GERMAN COLONY

Cashier Bush of the State Bank of Redmond, has recently received a letter from a prominent German in Nebraska inquiring as to this section of the state, and wanting to know if the irrigated section in and around Redmond would not be a good place in which to locate a German colony.

JUNIPER CIRCLE TALKS ABOUT JAPAN

On Wednesday of last week the Juniper Reading Circle was pleasantly entertained by Mrs. Edna Hobbs at the cozy bungalow home of Mrs. Ashley Forrest, in Mountain View Addition. The meeting was called to order by the president, and sixteen members responded to roll call. The program given was both interesting and instructive, the topic being "Famous Scenic and Historic Spots in Japan". Mrs. Herrick told in a pleasing way of the imperial city, Tokio. She gave something of its history, and spoke of the character and influence of the imperial family, the customs of the court, and the nobility. Mrs. Irvin read a paper on Fujiyama, Japan's sacred mountain. She told of the Japanese love for it and its predominance in their religion, legends, and art. She spoke of the Japanese appreciation of its symmetry and beauty, and compared it with some of our own western mountain peaks. A recess was then taken and the members enjoyed the refreshments served by the hostess. The musical numbers rendered by Mrs. Forrest and Mrs. Hobbs were much appreciated, and the members separated feeling that one of the most pleasant meetings of the year had been held. The next meeting will be held at the home of Mrs. Rodman on February 7th.

How many rumors are true? I once kept count and found that only one rumor in 20 had any actual foundation.

Many people are discontented because they never have any fun, and imagine others do. As a matter of fact, no one has much fun.
