

PHOENIX LIKE

☛ The Redmond Spokesman arises from the ashes bigger and brighter than ever, and will continue to boost and work for Redmond and the Central Oregon Country in the future as it has in the past. ☛ The entire plant of the Spokesman was destroyed by fire on the night of February 27th, but the paper did not miss an issue. An entire new plant--the best in Central Oregon--has been ordered from the American Type Founders Co. of Portland, and as soon as the new stone building is built on the site formerly occupied by the paper, the plant will be installed. The plant will consist of the latest and best in printing material--Model 10 Linotype, large Cotterell & Babcock cylinder newspaper and job press, latest improved jobbers, 30-inch cutter, all the latest faces in type and material. ☛ Through the kindness of the American Type Founders Co., of Portland, The Spokesman will be printed entire by them until our new plant is installed. ☛ The Spokesman will operate a Job Printing plant here in Redmond, in the building next to the Hub office, where we are prepared to do all kinds of GOOD PRINTING at prices consistent with that class of work. We invite your patronage.
