

SPECIAL FOR MAIL ORDER BUYERS

All We Ask is a Fair Show

You can't be blamed for getting the most you can for your money—but be sure you get it.

Before you order a "mail order" separator write to the concern and tell them that you want to try their machine out against a De Laval, with the privilege of sending their machine back if you decide that the De Laval is better worth what we ask you for it than their machine what they ask.

That's absolutely fair, isn't it?

We'll be glad to furnish you a De Laval for such a trial any time you like and let you be the judge.

We are glad to make this offer because we know that the De Laval will give you better service and cost you less in the long run than any other machine you can buy, no matter what the price.

Easiest to turn, easiest to wash, skims the cleanest lasts the longest

COMMERCIAL CLUB IS TO HOLD A SMOKER

At a regular meeting of the Commercial Club last evening several matters of importance were discussed. The president discharged the old standing finance committee and appointed a new finance committee consisting of G. M. Slocum, B. A. Kendall and W. C. Walker.

There are several unpaid subscriptions to the Railroad Day Celebration and the new Railroad Booklets, and the finance committee was instructed to take immediate steps to collect the outstanding subscriptions.

It was decided to discontinue the lease for the room formerly occupied by the Club and to secure a hall or room for each night that the Club meets, in the future, which will be twice a month, for regular meeting nights.

Wednesday evening, May 29, the Club will give a free Smoker to all members of the Club and any friends interested in the welfare of the city. The place, Ehret's hall—the time 8 o'clock.

The Redmond Commercial Club is not dead, but has just been taking a nap; now let's all get busy and PLAY BALL. Come to the smoker.

FINANCE COMMITTEE.
