## BEND MAN IS ROBBED NEAR HIS RESIDENCE

### SECOND CASE OF SANDBAGGING WITHIN A MONTH IN THE CITY OF BEND

A Bend dispatch to the Portland Telegram, dated the 7th, says: On Monday night A. C. Lucas, an ex-hotel keeper and a man of considerable means, was sandbagged and robbed of \$57, within two blocks of his residence. This is the second offence of this character in Bend within the last month and the citizens of the town are becoming anxious as to what the outcome of the matter will be.

According to the last census Bend had something over 500 population, and there are 11 saloons, the present council and mayor, it is claimed, have shown no disposition to lessen the number.

## WAREHOUSE FOR

Continued from 1st page

sum of \$1900 was subscribed toward building a warehouse here, and subscriptions are now being taken to raise the sum to \$4000, after which another meeting will be called and a corporation formed and work on the warehouse begun. It is planned to have the warehouse ready to receive potatoes by January 1st.

Subscription papers are now in the office of Dobson & Fry and also with Mr. Brewer at the Bank of Commerce, and Mr. Rodman at the State bank. These men will explain the proposition to any one desiring information.

## OLCOTT WILL HASTEN CANVASS SO WOMEN WILL BE ABLE TO VOTE

In order that women might vote in the municipal election which will be held in several towns and cities of the state within the next few weeks, Secretary of State Ben Olcott has announced that he would rush compilation and canvassing of the returns as rapidly as possible. In this connection he calls on county clerks to cooperate by speeding their work in forwarding returns and to be as thorough as possible so it will not be necessary to return reports for corrections. Of the first few returns received some had to be sent back for correction.

The law provides that the vote must be canvassed by the secretary of state, in the presence of the governor within 29 days, so the governor can immediately issue a proclamation declaring the woman suffrage law, along with others, in effect. This formality must be had before the law becomes effective.
