PAYABLE IN ADVANCE

SUBSCRIPTIONS ARE

Beginning with the first of November all subscriptions to The Redmond Spokesman will be required to be paid in advance without exception. This method is the only right and business-like way of selling subscriptions and should be adopted by all newspapers. The Spokesman has in the past extended credit to subscribers and some of them, after taking the paper for two or three years have refused the paper and would not pay what they owed for it. In order to treat all alike the pay-in-advance method has been decided upon. Notices will be sent to all subscribers a month before their subscription expires, so they can have time to renew if they so desire.
