Notes of the Game

Burdick made a "heart disease" one hand catch of a hot liner the fourth inning.

Roy Branton was sure a run getter-he made the first score, and brought in three of the seven runs made by the locals.

Notwithstanding that the infield was in poor condition both teams fielded the ball pretty lively.

Hurley Was a Regular Chicken

Fancier.

Caldwell Got a Pop Fly.

Bristow for the locals put up a good article of ball, both with the stick and in the infield.

Fleming was right there with bells on at the first sack.

Shelley at short picked up some good ones and slammed them 20

to first in time to shut out the runners. Tetherow, with his cannon ball throws from third "killed"

several runners at first.

Gibbs, the Bend slabster, had good control of the ball and a number of strike outs were marked up to his credit.

That man Burdick is some pitcher, if anyone should happen 2

The grandstand was in the wrong position for the occupants 3 to see all the details of the game. The stand will be moved to 3 the right position before the next game.
