AS OUTSIDERS SEE THE SPOKESMAN

F. W. Graham, Western Industrial and Immigration agent of the Great Northern Railway, located at Seattle, has written The Spokesman, under date of March 26, the following letter which shows that the paper is appreciated away from home, as well as by some of the local people:

Editor Spokesman, Redmond, Oregon.

Dear Friend: I receive the half dozen copies of The Spokesman every week, and read one of them, and frequently cut out some of the many good things you have in it, and I keep the others on my Oregon literature table and mail them out or hand out to parties who make inquiry or write me regarding Central Oregon opportunities. As I am short of good commercial club literature from your club, I substitute your paper to excellent advantage.

The other day Mr. Charles E. Hunt, financial and railroad editor of the Seattle Post-Intelligencer, who calls in frequently, picked up your paper and glanced through it and became quite enthusiastic, and I am going to tell you word for word what he said. He said:

"It was the nicest and cleanest country paper that he had seen since he had been in the west. The news service was good; it had a fine typographical appearance, and he wished you every success in the world. Anyone who takes such pains as you do to get up such a good paper in a town the size of Redmond deserves to succeed."

Mr. Hunt knows whereof he speaks, as he has been in the newspaper business for 26 years in the mechanical and editorial departments. He said that the Redmond community ought to appreciate the handsome paper which you are giving them. He saw life in every column, and it was snappy and bright and bore evidence of much care exhibited in the make-up. He suggested further that anyone writing me for a newspaper location that I would do well to send him a copy of The Spokesman, and tell him that was the kind of a paper he would have to get out in order to succeed, and that he should not come out here with a lot of old type and junk to start a paper with.

When I told him your office was just as neat as your paper looked, he said: "I bet it is; I can describe his plant without ever having seen it from the paper he gets out."

You are really getting out such an excellent paper that it is reasonable to suppose if it appeals to us that it certainly does to everyone who takes or reads it.

Wishing you continued success, and thanking you for the extra copies you are sending me regularly, which I am glad to make good use of, I beg to remain, Yours truly,

F. W. GRAHAM.

Will Redmond have a Fourth of July celebration this year, or do the citizens prefer to save their money and put it to use for the Fourth Annual Potato Show and Fair to be held here in the fall? Last year Prineville "gave up" their celebration in favor of Redmond, and as the county seat town is going to have a big celebration this year it seems nothing more than fair that Redmond should postpone their celebration of the 4th until another year.

A man 66 years old died at Baker of spotted or "tick" fever, the result of a bite from a wood tick several weeks ago. There are sage ticks in this section of Central Oregon whose bite is irritating, but does not produce serious results. Wood ticks are unknown in this part of the state.

New York ministers in session assembled united in an attack on "Billy" Sunday, the grand stand evangelist. One minister said that "if you criticize 'Billy' Sunday he tells you to 'go to hell.'" There were 350 ministers at the session and each one wanted a chance to talk and heave a brick at Sunday.

A St. Louis minister has had a "buzzer" placed in the lobby of his church to stop the buzzing of women's chatter which disturbs members of the congregation. That pastor ought to know that nothing short of a dynamite explosion will stop some women's chatter.

Wonder if Redmond is going to have a circus this year? No circus or Wild West Show has visited this city for two years, and showmen say that Redmond is the best "show" town in Central Oregon.

Do not forget that Redmond will celebrate Good Roads Day on Friday, April 24 instead of Saturday, April 25. Be prepared for the date and go out and do a good day's work on the roads.

What is the matter with the Chicago women? Two hundred and seventeen thousand women registered and only 100,000 voted, and every woman that was up for an office was defeated.

Some of the Illinois cities and towns that went "dry" at the election held last week have discharged their police forces and other officers, owing to the decrease in revenue.

The wife of a government official in France contracted leprosy by wearing a purple colored wig. Still women will follow the fashions even if they die in the attempt.

Some of the Redmond base ball players haven't got rested up yet from running bases in that 17 to 2 game they beat the Bend team last Sunday.

Wayne Chase, with several Redmond folks, attended the Terrebonne entertainment Friday night, given by the Terrebonne high school.

Last Saturday morning Otto Rutger, a well known Pleasant Ridge farmer, was struck over the left eye with a hammer and nearly killed by a man named Buckle, who was standing in the granary door as Mr. Rutger started to enter. Dr. Hosch was summoned and found that Mr. Rutger was also suffering from a broken rib. Mr. Rutger is expected to recover.

Mr. and Mrs. Provost and daughter, Mrs. Bergseath, attended Catholic services in Bend Sunday.

Mrs. Milan Whitmore received a telegram this week that her mother was dead.

Those attending Easter services in Redmond from this vicinity were: Mr. and Mrs. Corvell and family; Mr. and Mrs. Doty and daughter, Mable; Etta and Wayne Chase.

Wayne Chase has been appointed by the Indian Herb Company as their agent for Crook county.

POWELL BUTTE

Mr. Houston and Harley Sandrews, father and brother-in-law of Tom Houston, visited at the home of the latter part of the week.

Mrs. Smith and Mrs. Van Doren and Ada Morse spent Wednesday afternoon at Miss Allens for a committee meeting.

Henry Edwards and family took dinner Easter Sunday at Tom Houston's.

Mr. and Mrs. Winnek and Mesdames Shattuck and Lakin motored out from Prineville and made a pleasant call at the Morse home Easter Monday.

Mr. and Mrs. Smith and Mr. and Mrs. Humphrey went over to the Deschutes river Saturday to get decorations for the school house for Easter.

Mr. Stone is fencing the west 40 of the Page place with rabbit fence. Sixteen children of the neighborhood had a most enjoyable egg hunt at Houston's Sunday.

Mr. and Mrs. N. P. Alley entertained Pauls and Chapmans at dinner Easter Sunday.

The Easter program at the Wilson school house Sunday evening was a decided success. Besides a well rendered program by the young people of the neighborhood, Rev. W. E. Ragan delivered a much appreciated Easter sermon.

Roy Skeen was taken suddenly ill at the school house Sunday evening.

Nick Rachon was down from Mill Creek Sunday visiting with his family. He expects to move his family up on the Ochoco soon, so that they will be nearer him.

W. T. Smith and family and L. W. Van Doren and family took Easter dinner at the Morse home.

"Lucky" Bonney came out in Dr. Rosenberg's car Sunday and took John Luckey and wife back to Prineville for Easter dinner.

While returning from Sunday school Sunday, Eddie Pierson had a runaway. While crossing a ditch one single tree broke and the team lunged to the side of the road and struck a stump. Mrs. Lindquist and Ebba, who were with him, were thrown out, but escaped without injury.

Lee Hobbs has been suffering from a very severe attack of chicken pox. E. B. Williams and John Tuck made a trip to Deschutes last week to confer with Messrs. Howard and Redfield concerning matters to be taken up by the newly organized Water Users' Association at their meeting Saturday evening, April 18. They say they have some very favorable reports to make.

The dance given by George Hobbs three weeks ago was such a success that he has decided to give another one Friday night, April 18.
