er land holdings and other things that will bring the land into the bounds of competitive civilization. It is the skeleton of poverty that breeds bad ideas. God never made a piece of country that was worthless; all of it can be developed above or below, while you can build a city out of a store. Our new currency act is one of the best ever put on the statute books; but after that we need rural credits. Now the farmer's creditor can collect from him, but he has to wait to collect from the soil."

WAR WITH MEXICO

out Mexico.

Hope to Get Refugees Away.

By this Mr. Daniels hopes the feeling toward Americans may be alleviated and refugees enabled to depart without molestation.

Advices received through the British embassy told of the completion of arrangements for the safe departure of Americans from Mexico City, while the French Ambassador gave the State Department a message he had received from the French legation stating that while there had been some anti-American manifestations in the Mexican capital, order now prevailed.

Secretary Bryan said he was able to say that no Americans had been killed or injured since the crisis of the last two weeks began, and that although many had been detained, efforts were being made to obtain their release.

Vera Cruz Now Orderly.

Order prevails in Vera Cruz. Expeditionary forces of marines have been detached from the command of Admiral Fletcher and will return in a few days to the fleet with the marine guards.

"Things look very much better now," said Secretary Daniels, tonight. "We are getting Americans out of Mexico. That is the important thing now."

Consul Canada reported that a formal raising of the American flag occurred at Vera Cruz at 4 o'clock today.

Secretary Bryan announced that the president's recent address to congress and the full text of the correspondence between Argentina, Brazil and Chile, had now reached all Central and South American capitals, and that had it gotten to Montevideo, Uruguay, earlier, the anti-American demonstration there would have been averted.

"The consensus of opinion in Latin-America," said a statement from the Pan-American Union here tonight, "seems to be that this action of Argentina, Brazil and Chile is in many respects the most significant and far-reaching event in the history of the American republic since the declaration of the Monroe Doctrine, and it is hoped that the press and people of the United States will try to curb the rising war spirit and give the mediating nations strong moral support in their efforts for peace."

Huerta Says He Will Never Resign

"Wait Till Americans Invade the Interior, as Eventually They Must," He Tells Editor of El Imparcial.

Vera Cruz, Mexico, April 28.—"Huerta will never resign, regardless of the United States' threats," said the editor of El Imparcial of Mexico City today.

The editor arrived here this afternoon in his paper's interests. He interviewed Huerta Saturday night. He quoted the dictator as saying: "If you call this war, wait until the Americans invade the interior, as eventually they must."

General Velasco, said the editor, had reached the capital. He declared he was only beat at Torreón because his ammunition was exhausted.

General Maas today was retreating toward the capital, destroying the railroad as he went. He promised to release the 85 prisoners, mostly Americans, held at Cordova.

POWELL BUTTE

Harry Dobrenter visited Saturday evening and Sunday with his folks. Mrs. Frank Bayn is here visiting with A. W. Bayn and family. Her health was so poor in the Valley that the doctor ordered her to another climate; and, naturally, she chose Central Oregon.

While returning from Prineville Saturday night, Mrs. Truesdale narrowly escaped a serious accident when, in the dark, her team missed the bridge at the corner of the Gibson place and attempted to jump the ditch. Both Mrs. Truesdale and Dorothy were thrown over the dash board, but were not seriously injured.

Thursday afternoon Mrs. Humphrey gave a birthday party for Estell and Albert. In the evening a number of the neighbors dropped in for a very pleasant time.

The next meeting of the Sorosis Club will be at the home of Mrs. A. W. Bayn on May 6.

Last Saturday evening a pet coll of Earl Forrest got tangled up in some loose wire and was severely cut in a number of places. Sunday morning Mr. Archer sewed them up and they are in hopes they will be able to save it.

SHUMIA-SOROSIS

On Saturday, April 25, 16 members of the Sorosis Club, and 14 members of the Shumia of Prineville accepted the invitation of Messdames Winneck and Gray at the home of Mrs. Winneck. Mrs. Winneck, Mrs. Gray and Mrs. Kayler, president of the Shumia, formed the receiving line to receive the out-of-town guests. After spending a short time in getting acquainted, Mrs. Van Morse read "The Legend of Prineville," a poem written by Mrs. Ada Millican. "The Human Plant," Burbank, was very ably read by Mrs. Guy Lafollette. Miss Catherine Conway sang "A Perfect Day," and, as usual, received an encore which she responded to with "Where the Four-Leaf Clovers Grow." Mrs. Gray then gave an excellent review of the Mexican question. After a lively half hour in which the ladies formed themselves into two groups, the hostesses served an elaborate and delicious luncheon. The luncheon room was decorated in the colors of the two clubs. Mrs. Lakin and Mrs. Howard assisted the hostess in serving. Last, but not least, there was a singing contest which was "A Howling Success." Mrs. Smith, president of the Sorosis, received a beautiful bouquet of cut flowers carrying out the idea of the club colors. The members of the Sorosis had such a delightful time that they hope to have another joint meeting soon.
