### PLEASANT RIDGE

Those from this vicinity attending the funeral of Wm. Johnson, held at Hay Creek last Wednesday, were: Antone Ahlstrom, Rasmus Peterson and Mrs. Johanson. Mr. Johnson had made Pleasant Ridge his home years before it was even a district; after it became a district he was a worthy school officer. His presence will be greatly missed in this community.

Quite an interesting Sunday school meeting was held last Sunday.

Mr. and Mrs. Bray and family visited their parents Sunday.

Mr. Duvall was a visitor at the Poplar Farm Sunday.

Blanche and Lila Bray, Roy and Hubert Rule passed Sunday evening at the home of Etta and Wayne Chase.

Some of the young people gathered at the home of Mr. and Mrs. Coryell Friday evening to practice singing.

Mr. and Mrs. Chase were in town Monday with a colt they took to the veterinarian.

Mr. and Mrs. Fuller visited with Mr. and Mrs. Davis Sunday.

The Doty family attended services in Redmond Sunday morning.

Pleasant Ridge is noted for the number of men that can go fishing and catch none.

### PUBLIC FOUNTAIN

Harry P. Wilson, landlord of the Hotel Redmond, has made arrangements to put in a public bubbling drinking fountain in front of his house, for the accommodation of the thirsty people who want a drink of the pure Deschutes water furnished by the city water plant. Now, if the City Council will be as public spirited as Mr. Wilson and install a public watering trough where farmers and others coming to town can water their horses, their action will be commended.

### A RAINMAKER

Any time a person wants a good shower of rain just let the editor of The Spokesman know beforehand and the goods will be delivered. The editor has had a big high-line ditch made to irrigate his lawn, and the past three times he irrigated the lawn and flooded it with water, a heavy rain storm has followed the proceeding. So, if you want a good shower, let us know and we will turn the water on the lawn, and then look out for a big rain.

### TUMALO PROJECT OPEN

Announcement has been made by Governor West that two units of the Tumalo Project have been reclaimed and are now open to entry. They comprise 10,000 acres, and 2,000 acres are offered for sale. Those who desire to acquire them should communicate with O. Laugaard, project engineer.

### A SOCIAL SESSION

Last night the Commercial Club held a basket social and literary entertainment in which the members of

the club, their wives and friends participated. The women folks brought the good things to eat in baskets, which were auctioned off. There was all kinds of a good time, such as usually obtain at the events given by the club.
