Redmond and Vicinity PLEASE PAY UP

There are a number of subscribers to The Spokesman who are in arrears for their subscription to the paper. We have not "dunned" these people in the past for the reason that times have been "hard" in this section. Now that the crop is being harvested and money getting a little more plentiful, we hope those who owe the paper will remember the printer man and pay up. One dollar and a half, the price of a year's subscription, is not much in itself, but when there are three or four hundred of these \$1.50 accounts due and outstanding they amount to quite a nice little sum—especially to a newspaper office. So, please pay up.
