

You've hit the right tobacco

when you fire-up some Prince Albert in your old jimmy pipe or in a makin's cigarette. And you know it! Can't get in wrong with P. A. for it is made *right*; made to spread-smoke-sunshine among men who have suffered with scorched tongues and parched throats! The patented process fixes that—and cuts out bite and parch. All day long you'll sing how glad you are you're pals with

It's an easy job

to change the shape and color of unsuitable brands to imitate the Prince Albert tidy red tin, but it is impossible to imitate the flavor of Prince Albert tobacco! The patented process protects that!

PRINCE ALBERT

the national joy smoke

You take this testimony straight from the shoulder, men. You can smoke a barrel of P. A. without a kick! It hands out all the tobacco happiness any man ever dreamed about, it's so smooth and friendly. It's a mighty cheerful thing to be on talking-terms with your pipe and your tongue at the same time—but that's what's coming to you sure as you pin your faith to Prince Albert!

Luke McLuke Says:

When you notice that people are trying to dodge you when they see you, you can usually discover the reason for their actions if you will get a mirror and look right under your nose.

Women have their faults, but you never saw one who shoveled her food into her mouth with a knife.

When a girl has such a powerful voice that you can hear her yelling for a square her fond mother sends her to take singing lessons, and the result is that you can hear her yelling for two squares.

When you fall in love with a pretty face you have to take the rest of the girl with it, so you might as well see that the pretty face is attached to a corn fed and get all the girl that is coming to you.

Some men are busy laying up treasures in heaven when they should be paying some attention to fire insurance.

The reason why a girl knows that a fellow is all right is because her father and mother know that he is no good.

Every man believes that he has good sense, but he couldn't prove it by the love letters he wrote to his wife before they were married.

A woman is a woman because she can understand things without giving them a thought.

The man who thinks he knows it all usually knows everything that isn't worth knowing.

If a man can't get the girl he wants he gets peeved and quits, but if a girl can't get the man she wants she goes and cops out the man some other girl wants.

A good conversationalist never talks when he is through with it.

ADVERTISE! Start small if necessary—you will soon grow into a big one.

A BEAUTIFUL HOME FOR THE ONLY GIRL---IT'S A DUTY

When you own your own home you know you have a refuge at all times. You take a pride in beautifying YOUR dwelling. Your children instinctively turn towards HOME against outside attractions.

Your merchant looks on you with favor, because he knows that a HOME OWNER is permanent; that you will strive to keep his bills paid and his credit good; that his example will induce others to do likewise, thereby insuring greater communal permanence and stability.

Should reasons of business or health necessitate a change of location, you have a bankable resource to secure needed funds, which rent receipts, no matter how numerous, can never afford.

In your OWN HOME you can live as you want to live without interference from anyone, and without considering the whims of an owner who might have very different ideas from your own.

You are your own master—you are free to do as you will—and this very independence of material conditions gives you an independence of thought that makes you a better father or mother, and a better citizen.

Two hundred designs of Modern, Convenient, Moderate Priced BEAUTIFUL HOMES ready for inspection, together with interesting information on HOME BUILDING.

This means no obligation on your part.

NO REASON FOR IT

You Are Shown a Way Out.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyances of urinary disorders, the pains and dangers of kidney ills will fail to heed the word of a resident of this locality who has found relief. The following is convincing proof:

Mrs. M. Kebelbeck, 1010 Birch avenue, Cottage Grove, Ore., says: "Kidney complaint came on me and I was caused much annoyance by the kidney secretions. I never found anything that would help me until I began using Doan's Kidney Pills. They benefited me in every way. I use this medicine once in a while and it keeps me free from kidney complaint."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kebelbeck had. Foster-Milburn Co., Props., Buffalo, New York.
