

Letters to Santa

Every year my family decorates trees with candy canes.
And we make a snowman with my sister.

Christmas means to spend time with family and friends and to be grateful.
Also to love the people who were with you through the hardest.

My family holiday tradition is to read the note the elf left and to make piles of presents and shake them and guess what it is and to see who can stay outside in the snow the longest.

The meaning of Christmas is being with your family and loved ones. My family tradition is opening a present on Christmas Eve. Merry Christmas and to all a good New Year.
